Dear Sirs:—

Your cheque to hand for \$2,000, in full payment of Policy No. 8020, covering our loss on account of Boiler explosion. Your prompt payment of same is highly commendable.

Expect to rebuild at once, and instead of carrying \$2,000 in your Company on our new plant, will increase it considerably.

Should we never have another boiler explosion, we feel that we are amply repaid by always having our boiler under your inspection and examined three or four times a year.

Again thanking you.

We are, yours respectfully
