

Young Downytip's First Visit to Canada.—A Snow-shoeing Party.

By W. O. C.

Downytip joins a Snowshoeing party

Off the Road into the fields

Downytip is puzzled at the different methods of tying on Snowshoes

He doesn't think Snowshoeing so difficult after all

But forgot to keep his heels well down

A voice in the distance "Hold hard"

Which they do for more than half an hour

Has a comfortable sleep (barring the dream)

Feels all the better next morning
