TORONTO MONTREAL WINNIPEG

Incorporated in England in 1883 with British Capital for the British Empire.

YOU pay more for an Underwood, as you do for the best in any other line. Ultimately, however, it is the cheapest. It costs more to *buy*, but less to *use*.

And there are many special Underwoods for special accounting and recording purposes. The illustration shows the Underwood Condensed Billing Typewriter. This machine will save its cost several times a year.
