

TORONTO OPERA HOUSE.

SINCE its first production in this city "A Bunch of Keys" has been one of the strongest and most popular productions presented. It has been witnessed by large audiences. The music is light and lively, the songs original, the fun continuous and contagious, and the dances characteristic and enjoyable. The funny hotel scene is familiar to all laughter-lovers as one of the drollest ever conceived, and in the entire performance there is not one dull or prosy feature.

TORONTO COLLEGE OF MUSIC.

THE first of a series of chamber concerts was given at Mr. Torrington's new College of Music on Saturday afternoon, Nov. 10, the executants being the famous Mendelssohn Quintette Club and Miss Alice Ryan, soprano. The affair was, of course, a brilliant success artistically. A large audience attended, and all expressed high satisfaction not only with the programme, but with the equipments of the College itself, which were displayed with pardonable pride by the Director.
