In calling public attention to the subjoined list of the Ships which comprise our Boston Line of Packets, we believe that its general reputation as the first of American Lines is sufficiently well known and established. The Thousands of Letters which have been sent by American Immigrants to their friends in every part of Europe, have borne ample testimony to the Rapid and Successful passages made by those Ships, and to the superior Health, Comfort, and Safety which their Passengers have hitherto enjoyed. Many of them will be recognized as vessels which have gained the very highest character, by a succession of unusually rapid passages.

As Train & Co. have made such arrangements in Liver-pool as will Protect their friends from the frauds and impositions sometimes practised there, they believe that those who pre-pay passages cannot but see the advantage of being able to engage with a Respectable House, on favorable terms, for a well known Line of Packet Ships, and in this way avoid the disrespect, annoyance and delay which they so often experience, when they engage with Agents who are but slightly

connected with transient Ships.

As a proof that their Immigration business is conducted on principles uniformly honorable and humane, and that they have been distinguished for the most exact fulfillment of all their Engagements, we are permitted to refer to the Very Rev. THEOBOLD MATHEW, Cork, Ireland.

We also subjoin the following testimonial from the Right Reverend JOHN BERNARD FITZPATRICK, Bishop of Boston :-

"I am happy to testify, from personal knowledge, that the firm of Ship Owners, known in this City of Boston, under the name of 'Enoch Train & Co.,' is composed of gentlemen of tried and acknowledged integrity, and that implicit reliance can be placed in their fidelity to accomplish all that they may promise, to those who have occasion to make any contract with them.
