Mercantile Summary.SEVENTEEN steamers and four schooners are
now plying regularly up on the Red River.A BLOCK of green phosphate, weighing 600
lbs., was last week brought down the Ottawa
from West Portland.THE city of Fredericton is to have a new
post office. It will be a handsome one, ready
for occupancy on the 1st May, 1879.DURING the past week the total shipments of
live stock from this port to Great Britain, in-
cluded 1,121 cattle, 3,648 sheep, 346 hogs, and
27 horses.MESSRS. HARVIE & Co., of Glasgow, Scot-
land, are erecting a new grist mill in Galt, Ont.
In addition to this, twenty-five new buildings,
valued at \$55,000, are in course of construction.SENATOR COCHRAN and Mr. Simon Beatty, of
Markham, sailed from Quebec, yesterday, for
Britain, with about 15 head of first-class short-
horn cattle, said to be worth from \$1,000 to
\$10,000 per head.MR. Samuel Cleveland, a resident of Coat-
cook, Quebec, for some years doing business as
a trader, has assigned; his liabilities, however,
are not heavy. He has been unfortunate, hav-
ing suffered twice through fire.THE proprietors of the St. Jacob's creamery,
in the county of Waterloo, have made arrange-
ments with their patrons to sell them milk at
seven cents instead of eight cents as formerly
agreed, that reduction is owing to the low price
of butter.A WRIT of attachment has been issued
against S. Bronstein & Co., Tobacconists, St.
Fabrique St., Quebec. They owe \$6,500 of
direct liabilities, a good portion of which is in Mon-
treal, and \$2,500 indirect. The assets are placed
at \$6,500 but will be liable to a further reduc-
tion, and it is doubted if the estate will pay fifty
cents in the dollar. Mr. P. W. McKnight,
carriage builder, of Quebec, has also been served
with a writ. His name is well known in Quebec
province for excellent workmanship, but carriage
makers have to share in the dullness as well as
any one else. The liabilities are light and prin-
cipally local.
