

6.3.7. The Secretariat shall, upon the establishment of a new global technical regulation by the Executive Committee, append copies of all relevant documentation, including the proposal submitted pursuant to paragraph 6.3.1. of this Article and the recommendations and report required by paragraph 6.3.4.2.1. of this Article, to that Regulation.

6.4. Amending established global technical regulations

The process for amending any global technical regulation established in the Global Registry under this Article shall be the procedures specified in paragraph 6.3. of this Article for establishing a new global technical regulation in the Global Registry.

6.5. Availability of documents

All documents considered or generated by the Working Party in recommending global technical regulations under this Article shall be publicly available.

ARTICLE 7

ADOPTION, AND NOTIFICATION OF APPLICATION,
OF ESTABLISHED GLOBAL TECHNICAL REGULATIONS

7.1. A Contracting Party that votes in favour of establishing a global technical regulation under Article 6 of this Agreement shall be obligated to submit the technical Regulation to the process used by that Contracting Party to adopt such a technical Regulation into its own laws or regulations and shall seek to make a final decision expeditiously.

7.2. A Contracting Party that adopts an established global technical regulation into its own laws or regulations shall notify the Secretary-General in writing of the date on which it will begin applying that Regulation. The notification shall be provided within 60 days after its decision to adopt the Regulation. If the established global technical regulation contains more than one level of stringency or performance, the notification shall specify which of those levels of stringency or performance is selected by the Contracting Party.

7.3. A Contracting Party that is specified in paragraph 7.1. of this Article and that decides not to adopt the established
