

*Supply*

Perhaps there is a sense above all of sadness about the agreement because alternatives existed. Different approaches could have given us jobs, given us reasonable trade relations with the United States, and given us much more prosperity for the future. We have passed those up. We have before us an agreement which will hurt Canadians, will leave Canadians much more vulnerable than they have been, and will seriously restrict the freedom of the country in respect of all our economic policy-making in the future.

It is for that reason that we have moved the amendment, and we oppose the agreement which has been placed before the country.

**Some Hon. Members:** Hear, hear!

**The Acting Speaker (Mr. Paproski):** It being 5.45 p.m. it is my duty, pursuant to Standing Order 82(9), to interrupt the proceedings and put forthwith every question necessary to dispose of the supply proceedings now before the House.

Accordingly, the question is on the amendment of Mr. Broadbent. All those in favour of the amendment will please say yea.

**Some Hon. Members:** Yea.

**The Acting Speaker (Mr. Paproski):** All those opposed will please say nay.

**Some Hon. Members:** Nay.

**The Acting Speaker (Mr. Paproski):** In my opinion the nays have it.

*And more than five Members having risen:*

**The Acting Speaker (Mr. Paproski):** Call in the Members.

The House divided on the amendment (Mr. Broadbent), which was negatived on the following division:

• (1750)

*(Division No. 283)*
