Miss J. L. C. Cumming,
Trafalgar Institute,
Simpson Street,
Montreal. P. Q.

Dear Miss Cumming,

A circular notice of your meeting of Governors on April 2nd next, addressed to Sir Arthur Currie, has come into my hands. I am reasonably certain that there is no intention to have me attend in Sir Arthur's stead, but in case you do wish me to go I shall be glad to do so.

I think I should not have sent you this enquiry had it not been that recently I received a communication from Mr. J. M. Macdonnell hinting that I should acquaint myself with a certain project at Trafalgar against the Principal's return.

Will you please just tell me frankly whether you wish me to go or not?

Yours sincerely,

CWS.
