Chairman, Social Science Research Council,
University of Chicago,

Dear Sir:-

In the absence of the Principal I beg to acknowledge your letter of September 28th advising him of his reappointment as a member of the Advisory Committee on International Relations.

I think I can safely say that Sir Arthur will gladly serve in this capacity. He is at present in Europe enjoying a much needed rest, but we expect him back at the University some time next month.

Very sincerely yours,

Acting Principal.
