

GUIDE FOR INTENDING EMIGRANTS.

The following advantages are offered by the Dominion Government to those who desire to settle in the Canadian North-West.

An officer of the Government, at Liverpool, will see the emigrants on board the ocean steamers in conditions to insure their comfort and safety during the passage to America. He will render them any advice and assistance in his power. The name and address of this officer is

JOHN DYKE,
15 Water Street,
Liverpool.

This officer may be written to for any desired information respecting removal to Canada.

Intending settlers in the Canadian North-West will be met on their arrival, either at Quebec or Halifax, by a regularly authorized officer of the Dominion Government, who will at once take them in charge, have their luggage properly looked after, and will see them safely on board the railway train for the West.

Settlers' effects, in use, will be passed free through the Custom House, and any necessary bonding arrangements will be made, which will thus prevent any delay, inconvenience or loss occurring. Each passenger, before his departure from the port in Great Britain, should be provided with address cards as follows:—

Mr
of.....England
passenger to Winnipeg, Manitoba, Canada.
.....IN BOND.....

And he should see that one is pasted on each of his packages of luggage.

Immediately on the arrival of the settlers in the Canadian North-west, the Dominion Government agents will see them properly accommodated, will direct them in the purchase of necessary articles, and will give them every information to assist them in choosing a good locality to settle in.

Under this system, intending settlers need have no apprehension in trusting themselves to the care of the Canadian Government, or of selecting the Canadian North-West as the country in which to take up homes.

For rates of passage, it is better to apply to the agents of the steamships or the nearest Dominion Agent, who will give all information and directions.
