

## THE DREAMS OF LIFE.

All men are dreamers from the hour,  
When reason first exerts its power;  
Unmindful of its bitter sting,  
To some deceiving hope we cling—  
That hope's a dream!

The brazen trumpet's clangour gives,  
The joy on which the warrior lives.  
And at his injured country's call,  
He leaves his home, his friends, his all,  
For glory's dream!
