Several high-class shipments are on the way, making our offerings the most numerous and of the best quality offered for sale by public auction for some time. Our special lots are as follows:

## MONDAY NEXT TWO CARLOADS OF CONTRACTORS' HORSES FROM THE YORK CONSTRUCTION COMPANY

These horses are all of extra heavy draught type, a number of which are mares, weighing from 1,400 to 1,700 lbs. each, all young and in the very best working condition. They have been working on the new canal above Newmarket, and the contract having expired, they are now consigned to us for absolutely unreserved sale. If you want a first-class worker at a reasonable figure do not miss this lot.

## WEDNESDAY NEXT REGISTERED CLYDESDALES FILLIES AND STALLIONS

We have sold the importations of Mr. Isaac Williamson in previous years, and they have always met with the approval of Ontario horsemen and breeders. When we say this lot is, if possible, better than the last, we are telling you much. They are the fillies which Mr. Williamson elected to purchase after several months' travelling through the breeding country of the Clydesdale in Scotland. They are now in our stables, so why not visit us and see them? They are all of good size and conformation, and 75 of the most fashionable breeding obtainable in Canada to-day. The majority of these fillies were purchased by Mr. Williamson for show purposes, but owing to delay in shipping they did not arrive in time, but they are sure to make a name for themselves wherever they go.

REMEMBER WEDNESDAY NEXT, SEPT. 4th, at 11 A.M. SHARP

MR. WILLIAMSON also brought over with the Clydes a fine WELSH PONY, grey mare, 5 years old, and well broken to harness, and her splendid foal by a high-class Welsh pony stallion. These will be sold immediately after the fillies are disposed of.

EVERY MONDAY AND THURSDAY WE ALSO SELL, in addition to our regular consignments, a number of serviceable sound workers and drivers consigned to us by city people who have no further use for them.

ALL HORSES sold with a warranty are returnable by noon of the day following day of sale if not as represented.
