To Those of Sedentary Occupation,-Men who follow sedentary occupations, which deprive them of fresh alr and exercise, are more prone to disorders of the liver and kidneys than those who lead active, outdoor lives. The former will find 'n Parmelee's Vegetable Pills a restorative without question the most efficiencious on the market. They are easily sprearmable, easily taken, act expeditiously, and they are surprisingly cheap, considering their excellence.

New Old Boys' Association. While all the old boys' associations are being formed it would be a great idea to start an association of the old boys who are wearing those thirteen-fifty suits made at Archambault's, 125 Yonge-street. Such an association would have an immense membership, for Mr. Archambault says his old boys always come back to him, because he tupeats them right all the time. His store will be headquarters for the new association.
