SUFFERED EIGHT YEARS FROM KIDNEYS

Doctor's said Female Trouble.

Mrs. Charles Lewis, Collingwood, Ont, writes: "For eight years I suffered from Kidney Complaint, and until twelvemonthal ago dootors' said I was suffering from Female Trouble.' Last November (1905), D was seriously ill, resulting I believe from kidney troubles. Finding doctor's medicine doing me no good, I persuaded my husband to purchase me a box of Doan's Kidney Pills, after having read of a case somewhat resembling mine. I commenced taking them according to directions (not taking the dootor's medicine), and on second day a swelling commenced in my feet, legs and body. The following day I was so changed and swollen my husband, in alarm, hastened to Mr. Johnson's drug store, who told him to Mr. Johnson's drug store, who told him to tell me he thought the pills were drawing something out of the blood, and to keep on taking them. I did so and after taking Desire of Some.

taking them. I did so and after taking them a week, the swelling disappeared leaving me with a complexion free from pimples, tired, weary feeling gone, constipation, from which I suffered for years, gene, pain in the back, gone, and a general feeling of joy and light heartedness, I have not felt since a child, took place, in me

child, took place in me.

My sister-in-law (Mrs. Bryan), seeing the action of Doan's Kidney Pills, and the change for good they accomplished in me, sent for a box and they completely cured her. When there is an opportunity of telling people what Doan's Kidney Pills did for us, we always take advantage of it, and tell them to give them a fair trial."

Doan's Kidney Pills are 50c. per box or 3 boxes for \$1.25, for sale at all dealers of mailed direct on receipt of price by The Doan Kidney Pill Co., Toronto, Ont.
