Note and Comment

The wonderful run of Fred Simpson ast night at Riverdale Arena makes good he predictions about the Peterboro Inthan of several well-posted Marathon exerts, including J. Howard Crocker, maner of the Canadian Olympic team, who talled Simpson as sure to defeat Tom congboat in the race from Windsor, to hepherd's Bush, which he did. Also the vial speaks well for the acumen and raining ability of white-haired Tom Eck, nother one of the prophets who always that Simpson was in the front rank as a long distance performer.

Contrary to the common belief, Simpson is still a young Indian, being Just 27 years of age. His manager sees a bright career before him, and Tom Eck feels assured that his man car not only get matches with Dorando, Shrubb and Longboat, but tilat he can defeat them all at any dis-tance from 10 to 26 miles 385 yards.

The Buffalo Marathon promoters did not give up the Longboat-Shrubb race up the westerday, when the announcement was first made in Bison Town that the lidian had balked. While the champion will find many sympathizers, who feel sive that his managers are giving him heap too much run, a week before the race was too late for Tom to declare himself out. The men behind are due snort consideration.

STRATFORD, Ont., Feb. 24.—(Special.)—
Berlin Juniors went down before the Stratford Midgets to-night by a score of 8 goals to 1 in the first of the semi-finals for O.H.A. honors. With a lead of seven goals, the Midgets look like winners and with keen ice will safely hold their lead on Friday night in Berlin. The ice was street that the result that with keen ice will safely hold their lead on Friday night in Berlin. The ice was sticky in the first perical making combination difficult, with the result that Stratford could not get away and it was 23 minutes before they notched the first counter. The half time score was 2-0. In the last half they combined much better and gave Reinhart a busy half hour. The Dutchmen's guardian of the nets is the mainstay of the team, his great work saving a score of times. The game was clean thruout, only a few players being penalized for minor offences. The playing was close, Berlin being particularly effective in checking-back, something in which the Midgets were weak. They had the speed, however, and played the Dutchmen off their feet in the closing few minutes. The line-up:

Berlin (1): Goal, Reinhart; point, Boettger; cover, Bates; rover, Schlaegel; centre, N. Seibert; left wing, F. Seibert; right wing, Arnold.

Stratford (8): Goal, Dillon; point, Richards; cover, Preston; rover, Rankin; centre, Dorland; left wing, Bradshaw; right wing, Simpson.

T. A. A. C. 5, Osgeode 1.

Playing seven men to six, T.A.A.C. last night defeated Osgoode in the roughest hockey game of the season by the score of 5 to 1, thus tieing Kingston and T.A.A.C. for the senior O.H.A. group honors. The score at half-time was 2 to 1.

The game was nearly an hour late in starting, Osgoode pressing a claim for \$10, which they said T.A.A.C. owed them, the trouble arising over T.A.A.C. taking their box containing Osgoode's uniforms to T.A.A.C. Rink in mistake.

Osgoode were forced to play with only six men, thru one of their players failing to show up, but even with the one man short they gave T.A.A.C. a good argument, the score being 2 to 1 with five minutes to play, T.A.A.C. finishing with a rush.

minutes to play, T.A.A.C. finishing with a rush.

Many penalties were meted out, and many more should have been handed out, the game, as mentioned in the foregoing, being the roughest seen here this year, bar none. The teams:

T.A.A.C. (5)—Goal, Cochran; point, McArthur; cover, Kidd; rover, Allan; centre, Davidson; right wing Cosgrave; left wing, McGiffin.

Osgoode (1)—Goal, Addison; point, Macdonnell; cover, Stockton; centre, W. W. Davidson; right wing, Stewart; left wing, Sherwood.

KINGSTON Feb. 24.—Collegiate and Varsity III. played a tie game here tonight in the finals for the junior intercollegiate championship. At half-time the score stood 1—all, and at full time 2—all. According to the decision of the Intercollegiate executive, this gives Collegiate the cup, as they have one goal from the game in Toronto, in which Varsity were disqualified. The ice was in poor condition and the game slow on this account. In the second half Keith was badly hurt in a collision with the boards and retired for the game, with Young off to even up. The teams lined up as follows:

Maitiands and the Standard Bank Toronto, had come thru the tourney with decisive wins and both teams were confident of victory. The game was close and in doubt until the call of time. The bankers by good clean work notched three in the first half to their opponents one. In the second period both teams scored once, the bankers winning out 4 to 2.
