YORK COUNTY

JOINT COUNCILS WILL HOLD PRIVATE MEETING

Will Discuss Parallel Roads in Detail—County Matters in General—Notes.

NORTH TORONTO, April 26.—(Special.)—The funeral of the late Samuel Wicks of Bedford Park took place from the family residence here this afternoon to Prospect Cemetery, and was largely attended. The funeral services were in charge of York Lodge, A.F. & A.M. The joint meeting of the North Toronto and York Township Councils to discuss the parallel roads question, to be held in the council chamber to-morrow (Wednesday), will be behind closed doors, the press and general public being excluded. This action is regarded by the town council as best calculated to expedite matters in view of the long delays which have already occurred.

Don't forget the auction sale of Holstein and grade cattle and dairy supplies of all kinds, as well as horses, some 15 in number, on the farm of Alex. Bryce, Bedford Park, on Thursday, beginning at 9 a.m. John H. Prentice, the auctioneer, will conduct the sale, which promises to be one of the largest ever held in North Toronto. See advt. in another column.

Real estate is said to be comparatively quiet just at the present time, the unsettled weather deterring many prospective buyers from venturing out. A return to sunnier weather will do much to bring about a revival in the real estate market.

Lodge Abilene, No. 1, S.O.E., last night paid a fraternal visit to Sherwood Lodge of Eglington, and exemplified the red degree, the following officers taking part: I.P.P. Bro. S. N. Francis, Pres. F. W. Davis, V. Pres. C. C. Ward, Chaplain Ben Jones, Jr. After the degree the members adjourned to the banquet room to partake of the sumptuous repast which the committee had prepared.

WEST TORONTO.

WEST TORONTO, April 26.—Court Toronto Junction, I.O.F. No. 128, held a very successful social entertainment to-night in James' Hall. Bro. George A. Mitchell took the chair at 8 o'clock, and about two hundred enjoyed the musical numbers provided by Miss Maude Bigwood, soprano; Harvey Lloyd, comedian, and able addresses by Bros. Mitchell, Armstrong and Gietts. Prof. F. Egan, who has been conducting organizing work for the past two weeks, was there, and the evening was brought to a close with a sumptuous banquet provided by the ladies.

Rev. J. C. Speer arrived home to-morrow, a ten days' visit to Peterborough County.

The West Toronto Baseball League will play their opening game on Saturday.

TO EXCLUDE ORGANIZERS WOULD DESTROY UNIONS

Senator Power Declares This Would Be Effect of Senator Belcourt's Measure.

OTTAWA, April 26.—(Special.)—The debate on Senator Belcourt's bill to prohibit the operations of American labor organizers in Canada was resumed in the senate to-day and again adjourned.

Senator Power said there was a good example in the Nova Scotia mine strike of the damage which an outside organization could do to a Canadian industry.

There were certain organizations, such as the Brotherhood of Locomotive Engineers, which naturally extended across the boundary, and should not be interfered with.

The proposed bill, he said, would destroy trade unions in Canada. In the opinion of the labor organizations themselves, the presence of one or two non-British subjects in a trade union of Canada would make it a criminal institution.

Senator Belcourt denied that this was the effect of the bill, but Senator Cloran insisted that it was, and would prevent immigrants joining Canadian unions until they had been in the country the three years needed to naturalize.

Senator Choquette said that he was opposed to the bill, believing it a bad idea had introduced it with the object of having the question discussed, so that in remedy could be provided next session.

Senator Loughheed said that he had

Many Forms of Nervous Trouble

All Yield to the Blood-Enriching, Nerve Building Influence of DR. A. W. CHASE'S NERVE FOOD.

Picture to yourself the thousands of cases of nervous prostration, of locomotor ataxia and of partial paralysis that have been cured by Dr. Chase's Nerve Food.

The benefits of this treatment in the cure of minor nervous troubles, such as headache, sleeplessness, nervous indigestion, and tired, worn-out feelings of "brain and body." Don't look for mere relief from this treatment for it does not work on that principle.

Its benefits are both thorough and lasting, because it supplies to the blood the elements which are needed to rebuild the worn-out human system.

The appetite is strengthened, digestion is improved, all the organs are quickened into action by the restored nerve and you feel yourself regaining the old-time vigor and strength.

WESTON'S OBJECT IS TO PREACH WALKING GOSPEL

Writes Letter to New York Reception Committee—Veteran Pedestrian Nearing End of Trip.

NEW YORK, April 26.—Mayor Gaynor, himself a pedestrian of no mean ability, granted permission this afternoon for Edward Payson Weston to tramp triumphantly down Broadway with an escort of police when he arrives in New York the last of this week. Judging by his progress Weston will reach the upper part of the city late Friday, 75 days after his start from Los Angeles, 3400 miles away, and 15 days ahead of his schedule.

The first of these articles states that there is no right of action for the recovery of money under a gaming contract, and the second declares that the denial of this right of action is subject to exception in favor of exercises for promoting skill in the use of arms and of horse and foot races and other lawful games which require bodily activity and address.

The second reading of the naval service bill was moved by Sir Richard Cartwright, who stated that the question involved had been so extensively discussed elsewhere that he did not need the need of making an elaborate speech in support of his motion.

He was aware that there were opponents to the bill, some of whom thought it did not go far enough in the direction of creating a navy, and some of whom thought that it went too far. However, these were gentlemen who would be inclined to condemn anything brought in by the government, and that fact should be kept in mind when their views were expressed.

Had Given Up All Hope of Living.

Heart Trouble Cured by Milburn's Heart and Nerve Pills.

Mrs. Andrew Savoy, Gratton's, N.B., writes:—"In the year 1905, I was taken sick and did not think I could live any length of time. My trouble was with my heart and people told me that nothing could be done for a case like mine. I consulted the very best doctors, but they could do me no good. For seven weeks I could hardly cross the floor. I had no pain, but was so weak nobody in the world could believe how I felt. I had given up all hopes of living and had given my little girl to my sister-in-law.

"One day a friend came to see me, and calling me by name said, 'Lizzie, if I were you I would try a dose of Milburn's Heart and Nerve Pills as they are good for heart trouble.' My husband got me a box, but for two days I was not feeling any better, but on the fourth day my husband said, 'I believe those pills are doing you good.' I was able to say, 'Yes, I feel a good deal better this morning.' He said, 'Well, I will get you another box right away.' I took two boxes and three doses out of the third one, and I was perfectly well and have not been sick since then.

"I will never be without them in my home for God knows if it had not been for Milburn's Heart and Nerve Pills, I would not have been alive now."

Price, 50 cents per box, 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Poisoned Neighbor's Cattle.

On a charge of poisoning the cattle and horses of David McGee, his neighbor, William Logan, a Norfolk county farmer, will appear at Simcoe next week. Provincial Inspector Reburn made the arrest.

OBITUARY.

The funeral services of the late C. Douglas E. Gibson were held at the residence of his parents, Mr. and Mrs. Alfred Gibson, at their residence, 23 Hambly avenue, this city, Monday morning.

Mr. Gibson's death came as a surprise to his friends, after an illness of less than two weeks.

He was a young man of twenty-five years, of great promise and strong personal attractions.

For the last five years he was connected with the sprinkler risk department of the Canadian Fire Underwriters' Association, as senior inspector. He had for some time shown a great aptitude for the work and was fast becoming an expert in that line.

The sympathy of his many friends was made evident by a large and beautiful display of floral emblems, and the last services were attended by many of his former companions.
