HAMILTON, Aug. 28.—(Special.)—Twenty-six drunks were the sum total gathered in by the police from Saturday afternoon until to-night. Nine of them were Sunday drunks so that it looks very much as though there were a few screws out of the lid.

John F. Kelly, cigar-maker, 215 South Ferguson-avenue, was struck by a T. H. and B. train on Saturday night, and so badly injured that a part of one of his legs had to be amputated at the City Hospital. One of his ankles was badly crushed.

PARIS, Aug. 28.—The increased cost of living, especially for the working classes, has induced the government to take an exceptional decision. At a conference held at the ministry of the interior, M. Briand, premier and minister of the interior, presiding, it was resolved to institute proceedings where proof is obtainable of unlawful speculation tending to artificially increase the prices of the necessities of life.

It was further decided to take action on any conduct which while not legally punishable may result in interfering with the ordinary course of supply and demand.

#### IN SOCIETY.

The parlor musicale at the King Edward Hotel Saturday was a great success, and the committee were more than repaid for their trouble, much praise being given to Mrs. Fieser Chicago and Mrs. Noel of Philadelphia, for the arrangement of the excellent program. Miss Ella Mills of Chicago opened with a piano solo, and her playing was placed her among the leading concert piano players of the day. Mr. Tubb, Winnipeg's leading baritone, pleased the audience with two well sung songs. Mrs. F. A. Godsoe of St. John, looking lovely in a low-cut black sequin gown, has a pure soprano voice of rich and rare quality, which charmed her audience, and she had to respond to several recalls. Percy Hollingshead was in the voice. Miss Louise Le Barron of the Aborn Opera Company, gowned in white satin, low-cut and trimmed with gold, more handsome than a Toronto audience has ever seen her look, sang several numbers and was greeted with storms of applause. Toronto should be proud in possessing two such artists as Miss Emma Taylor and Arthur George, who contributed to the success of the evening. Other kindly assisted were Messrs. Williams and Ham from St. James' Choir, and Tom George. A handsome sum—\$50—was contributed, which goes to assist the funds of the Hospital for Incurable Children.

#### HOTELS ARE CROWDED

Two Hundred and Fifty Guests Registered at King Edward Sunday.

The tourist traffic at the big city hotels has been so exceptionally great this season that it is not expected that they will have much larger crowds during exhibition, for the simple reason that they can't accommodate any more than they have now. The King Edward has been housing over 800 guests every night for the last month, and the advance bookings are the heaviest on record. About 250 arrivals registered yesterday, which is probably a record for a Sunday. It is not thought that less than 700 persons will sleep at the King Edward any night during the coming fortnight.

All the big hotels expect to be taxed to their utmost capacity, which, in the case of the Queen's, is about 850; the Prince George, 900; and the Walker House, 400. Hundreds of visitors will be turned away disappointed every night.

**WHITBY, Aug. 28.—(Special.)**—The surveyors employed on the new Oshawa Electric Railway, having been working in this vicinity for the last two weeks, have located the line north of Main-street, and will cross Brook-street north of the Royal Hotel. The route chosen is subject to revision. After leaving the town, the line may strike a northwestward direction, but nothing very definite is yet known. Further west and at Agincourt, it is said, a new road will be merged in the C.N.R. line, and that the electric road is only one of the Mackenzie-Mann interests.

#### Public Amusements

The Princess Theatre will open to-night for the season, presenting "The Girl in the Taxi," an Americanization of the great Parisian laughing success. The musical specialties introduced with songs and dances, contrast pleasantly with the rapid-fire situations and afford breathing spells in the merry-making. The cast selected is one of unusual excellence, and no detail has been overlooked in the costly production.

Wm. A. Brady, who will present "Mother" at the Royal Alexandra and children's theatre in America, and re-open the week beginning this evening, before he visits here, is a property which will live longer than "Way Down East," that other famous play which is now in its 15th season. The play is replete with dramatic situations and heart interest. There will be Wednesday and Saturday matinees.

After his long vacation, spent with his wife (Gertrude Elliott) and children at Miss Maxine Elliott's charming residence at Pushey Heath, in England, Forbes Robertson returns to America by the S.S. Laurentic, leaving Liverpool on Sept. 17, to resume his run of "The Passing of the Third Floor Back" in America, and re-opening at the Royal Alexandra Theatre, Toronto, on Monday, Sept. 26, in consequence of the curtailment of his visit there. May on account of King Edward's death. On Oct. 3, Forbes Robertson and his London company return to Maxine Elliott's Theatre, New York.

A second company, composed entirely of English actors, with Ian Robertson, who has appeared with great success in his brother's original part, about 200 times in England, will be seen simultaneously in the smaller towns and one-night-territory that Forbes Robertson himself could not cover, even in the course of a third year, owing to the demand for this play.

Shea's New Theatre will have a real top-notch headline this week in Mile Dazie, the world-famous dancer, performing her sensational dramatic pantomime, "L'Amour de l'Artiste." Another special attraction will be Paul Spadoni, who juggles with cannon balls and other heavy articles. Others on the bill are Carlin, Steel and Carr, in "musical comedy," Levi, in "Japan" and "A Night in Venice"; the Three Leightons, in minstrelsy; Baldrin's trained dogs, and the kinestograph.

At the Star the original Billy Watson will be seen with "The Beef Trust" Burlesque, presenting "Levi in Japan" and "The Bashful Venus." There will be daily matinees.

Irwin's big show, the Majestic Burlesquers, will be this week's attraction at the Gaiety, introducing Gus Fay, a German comedian of note, and Florence Bennett, a Toronto girl.

"The Alaskan" one of the most successful of the modern musical comedies, will be presented for the first time in this city, at the Grand, this week, with matinees on Wednesday and Saturday. The piece comes here after a phenomenal run of five months in Chicago, and while many of the original song numbers have been retained, many new and novel interpolations have been introduced. Amongst the latter is the now famous "Snowballing" number, in which the chorus throw snowballs at the audience, while the audience pelts them back.

At Scarborough Beach an especially attractive program has been prepared for the week. The free circus act secured is easily the best yet seen this season. Adone, the man with the pole, gives a marvelous exhibition of athletic skill and muscular development, and his feats are so remarkable that some of them are almost unbelievable unless actually witnessed.

Next week Robert Edson will be seen in his own Indian play "Where the Trail Divides."

Imperial Bank, northeast corner of Queen and Roswell-avenue, two-story, brick, \$9000.

"Dear Bishop: I am so very glad to hear that you are about to complete the cathedral in memory of the dear archbishop. I am leaving you this cheque towards the work. Hoping you will be backed up by all the church people in your diocese in this, I am very sincerely yours,
