RECEIPTS WERE SHORT

Limited Demand for Stockers and Feeders-Activity in Milkers.

Receipts of live stock at the Union Stock Yards on Wednesday were 108 car-loads, 643 cattle, 1177 hogs, 359 sheep and lambs and 839 horses en route to France. Receipts of live stock were far from the snow blockade on the railways and country roads. Values in nearly every class were firmer and prices were paid that The World thinks are no criterion to go by in purchasing in the country and warns drovers and dealers accordingly.

tchers' Cattle-There would not be Sutchers' Cattle—There would not be more than about 550 of these on sale, which caused prices to advance 10 to 15 cents over Tuesday's quotations and fully 25 cents higher than at the close of last week, when quality is considered. About a load were sold at \$3; one load at \$7.90; several loads at \$7.50 to \$7.75. Three choice steers sold at \$8.40 and the choice steers at \$8.10.

The medium to good cattle were the ones that advanced more than any other casses, as the choice were scarce.

Stockers and Feeders—There was a nited demand for these classes. Steers good to choice quality sold from \$6.50 and a few, but very few, reached, and they had to be dehorned and od colors. The World saw several lots 37, and they had to be dehorned and sood colors. The World saw several lots bought at these values.

Milkers and Springers—There was slightly more activity for these, but brices did not go any higher. Two cows were reported sold at \$98 and \$100 each. Veal Calves—Only 95 were reported on sale, not half enough to supply the demand. Prices were firm, but no higher, as values for veal have reached their limit. There were a few sold at \$12 per cwt. and these could hardly be classed as choice.

choice.

Sheep and Lambs—These were more plentiful, but the quality of the bulk of the lambs was not what the buyers wanted and coarse, heavy lambs were a drug on the market, quite a number of them being still unsold at the noon hour. On the other hand, the lighter weights in lambs were in demand, and a new record was established, a lot of 55 Shropshires, 100 lbs. each, selling at \$13.75 per cwt. Remember, these were a deck not two, six or a dozen, but 55

Shropshires, 100 lbs. each, selling at \$13.75 per cwt. Remember, these were a deck not two, six or a dozen, but 55 lambs bred and fed on the Experimental Farm at Ottawa and consigned to the commission firm of C. Zeagman & Sons, whose sheep salesman, E. F. Zeagman obtained the above price, which is the highest ever paid on this market for yearling lambs.

The first spring lambs of the season were brought on the market by John Quinn of Myrtle, consigned to A. B. Quinn, his brother. There were nine of them of the Dorset breed and were bought by David Rowntree for the Harris Abattoir Co. at \$9.60 each.

Hogs—The supply was limited and prices again advanced. Selects, weighed off cars, sold at \$10.65, \$10.25 fed and watered and \$9.90 f.o.b. cars.
