The warmth makes the wood swell up and fill the dent. With some dents the process is slow, but it is sure.

# BOB DIBBLE ISSUES

Four Series of Races in September in Toronto Bay or at Barrie.

Sy a Staff Reporter.

CAMP BORDEN, July 28.—Lieut. Bob Dibble of the 180th (Sportsmen's Battalion, amateur sculling champion of America, goes to Toronto tonight to issue a challenge to John B. Kelly of Philadelphia, his leading American opponent, to meet him in a series of races at any distance from one and a quarter miles to three miles. Champion Dibble is suggesting that the races be held either on Kempenfeldt Bay or the Toronto harbor, preferably the former, and take place about the middle of September, in order to allow him to get into shape.

The challenge must read that this time be allowed. But if it happened that the 180th Battalion were ordered overseas earlier than expected, Licut. Dibble would be willing to "take a chance," and hold the race about the first of September. This, of course, would only permit of an extremely short training period for him. He is willing to meet J. B. Kelly on either a straightaway course or one with a turn. The race will have to be held in Canada. Champion Dibble's challenge is in answer to a letter just received by him from J. B. Kelly regretting they were unable to meet at the Duluth regatta owing to the war.
