BUSINESS IMPROVING

Inquiries Increasing of a More Substantial Character.

Montreal, July 10-Mr. W. H. Whiteside, president of Allis-Chalmers Company, of Milwaukee, and one of the directors of AlMs-Chalmers-Bullock Limited, of Montreal, gave the following encouraging views on Hospital, Detroit, on Friday of Mrs. the general business situation to The Wall Street Journal a few days ago:

"There is a marked improvement in general business. Within the last ninety days the bookings of machinery orders have increased from 30 per cent to 50 per cent of normal. The business for June to date indicates that at least 65 per cent of normal will be reached. New inquiries received are constantly increasing in number and volume. They are of a much more substantial character than First Offer of Odds on Republican at any time since the depression began. Their general tone denoted extensive plans in contemplation and for early development; the question of not be any special significance in the prompt shipment being already re- fact that the very first story of two garded an important consideration.
