AN UNPARALLELED REMEDY FOR

Coughs, Colds, Influenza, Asthma, Croup, Hoarseness, Pleurisy, Bronchitis, Consumption, Spitting of Blood, Whooping Cough, Diseases of the Chest and Lungs, Shortness of Breath, etc.

In this country the degrees of heat and cold are not only various in the different seasons of the year, but often change from one extreme to the other in a few hours, and as these changes cannot fail to increase or diminish the perspiration, they must of course affect the health.

Nothing so suddenly obstructs the perspiration as sudden transitions from heat to cold. Heat rarifies the blood, quickens the circulation and increases the perspiration, but when these are suddenly checked the consequences must be bad. The most common cause of disease is obstructed perspiration, or what commonly goes by the name of catching cold.

Coughs, Colds, Sore Throats, etc., if attended to in time are easily subdued, but if allowed to run their own course generally prove the forerunner of more dangerous diseases. Nine-tenths of the consumptives date their affliction from a neglected cold, and the diseases that are caused by wet feet, damp clothes or exposure are more numerous than are generally supposed. One of the most efficacious medicines for all diseases of the Throat and Lungs is BICKLE'S ANTI-CONSUMPTIVE SYRUP.

This is not a Medicine got up for speculation, to gull the poor sufferer, who like a drowning man will catch at any straw, but it is a scientific preparation recommended by the faculty (to whom the principal ingredients of the preparation have been made known), and which is believed to be the best medicine for diseases of the pulmonary organs which has ever been presented to the public.

It was only after a series of skilful **Chemical Experiments** that the inventor was successful in extracting the active principles or virtues of several medicinal herbs, which exert a most wonderful influence in curing Consumption, and other diseases of the

LUNGS AND CHEST.

Although there may be cases of Consumption so far advanced that this Syrup may not entirely cure, still the proprietors are confident that there is no case so bad, or of so long standing, but what may be materially relieved by the use of BICKLE'S ANTI-CONSUMPTIVE SYRUP. *In recent cases it may be said never to fail.*

Good Reputation.—MR. WM. ROBINSON, Teeterville, writes: "I have sold BICKLE'S ANTI-CONSUMPTIVE SYRUP for twenty years and I recommend it in every case for Coughs, Colds, Hoarseness, etc. It is the best article I have ever known, and has a better reputation than any other medicine in this locality."

MISS N. HORN BROOK, Toronto, writes: "I consider BICKLE'S ANTI-CONSUMPTIVE SYRUP an excellent medicine for Coughs and Colds. For a long time I was troubled with a very annoying Cough, but BICKLE'S SYRUP cured me."

The Only Relief.—MISS C. CAMERON, Toronto, says: "I contracted a Cold, and through neglect it finally resulted in Catarrh of the Stomach, from which I suffered for two or three years. Have used BICKLE'S SYRUP for it, and find it the only medicine that gives me any relief."

MR. G. C. BETTS, Haldane Hill, writes: "I have sold a great variety of Cough Medicines, and have sold and used in my family BICKLE'S ANTI-CONSUMPTIVE SYRUP, and I do not hesitate or exaggerate when I say it is the best Cough Medicine I have either used or sold. Its effects are noticed immediately."

Verge of Consumption.—MR. A. W. LEVY, Mitchell, writes: "I think BICKLE'S ANTI-CONSUMPTIVE SYRUP the best preparation on the market for Coughs and severe Colds. About six years ago I caught a severe Cold which settled on my Lungs, and for three months I had a Cough. I had a physician attending me, but gradually grew worse until I was on the verge of Consumption, and had given up hopes of being cured, when I was induced to try BICKLE'S ANTI-CONSUMPTIVE SYRUP. Before I had taken one bottle I found myself greatly relieved, and by the time I had finished the second bottle I was completely cured. I always recommend it for severe Colds and Consumption."

The Best.—MR. L. W. SENESAC, Stanbridge Station, P. Q., writes: "We have used BICKLE'S SYRUP for Coughs and Colds, and do not hesitate to pronounce it a first-class article, the best we have ever used."
