The Yarmouth schooner Ben Bolt, owned by Messrs. H. & N. E. Lewis and the Yarmouth Trading Co., has recently been sold to parties in St. Kitts, West Indies. Capt. Croftly arrived back on Friday afternoon.

Italian bark Lambro, which was reported to have sailed for Yarmouth from Barbados, was bound for Yarmouth.

The tug Hush D. fell in with her off the Larcher Thursday and towed her to Weymouth. She made the passage from Barbados in fourteen days.

The four-masted bark Kings County, Captain Watley, has finished loading lumber of Eastport. She is lying in the stream preparatory to sailing for Buenos Ayres. Captain McFriede, her former master, has retired and is living at Kentville. He may take command of the Barkentine Golden Rod, in which he has large interests.

Five weeks out from Wilmington, the new ferry steamer Miss Vanderburg, built by Pussey & Jones, of Wilmington, for the ferry service between Prescott and Ogdensburg arrived at Liverpool, N. S., last Tuesday. The Miss Vanderburg is a very fine boat and will be a valuable addition to the C. P. R. ferry service on the Lakes. She was built at a cost of \$200,000. She is an ice-breaker and is fitted with independent engines, and burns oil for fuel.

The steamer had a very rough passage, but she sustained no serious damage.

**MARSH BRIDGE REPAIRS**

The new concrete wall which is to hold the Marsh Bridge on the north side is progressing, and appears to be a very substantial structure. But the space between it and the old bridge is being filled in with soft material from the surface of the street, including a percentage of horse manure. How long this will prevent the bridge from settling away from the water main is a question that is much discussed by people who live in that section and watch the work being done.

**THE FISH MARKET**

The following prices prevailed in the fish market today. The supply was fairly up to the average, with the exception of salmon, which have been very scarce all during the season. **WON'T CUT DOWN TAX DISCOUNT**

Amount Allowed Off Tax Bills for Prompt Payment Will Hardly Be Reduced This Year—Treasury Board to Discuss it.

The regular monthly meeting of the treasury board is being held this afternoon. Among the matters to be dealt with is the question of determining what discount shall be allowed for the prompt payment of taxes. The bills are now being made out and will be distributed as soon as possible. It has been customary to allow 2 per cent on all bills paid before October 1 and this plan will probably be followed this year, though there have been suggestions that the discount should only be allowed for thirty days after the service of the bills, and also that the discount should be 2 1/2 per cent instead of 5. It is altogether likely, however, that no change will be made this year.

**THEODORE H. BIRD WILL VISIT PARIS**

St. John Dramatic Club Director Leaves Tonight for European Trip—Will Return With New Plays.

Theodore H. Bird, who for the past three seasons has so successfully directed the productions of the St. John Dramatic Club, leaves tonight for New York and will sail next week for London and Paris where he will spend the next six weeks. While abroad Mr. Bird will study the latest in stage productions and will be ready to give St. John theatre patrons the benefit of his experience on his return.

Arrangements are already under way with the St. John Dramatic Club and Mr. Bird for the production here in October of one of the best of Ibsen's plays, "The Doll's House." This will be by long odds more ambitious than any of the club's previous efforts. It is a distinctly high class play and has previously been produced by only the best companies. Mr. Bird, however, has every confidence that the local players can give it a successful production.

**ANOTHER PHASE OF BASE BALL DISPUTE**

A morning paper, announcing the completion of arrangements for a series of ball games between the Marlboroughs and St. Peter's says:

"For the Marlboroughs, it was stated that they had an agreement for the use of the Every Day Club grounds for every Saturday of the season at \$1, and Labor Day \$15. They announced that the second game of the season would be played on the Every Day Club grounds."

The president of the Every Day Club is preparing for his press a statement of the facts of the whole matter, including last year's experience with the ball players.

"The meeting," it may be stated that no game will be played on the Every Day Club grounds until terms satisfactory to both sides have been arranged. The fact that the club have been arranged to accept \$5 for a game where the base ball managers figure on taking in about \$50 to \$60 is a rather silly proposition.

It is stated that the first game of the series will be played on the Shamrock grounds on Saturday.

**A REMARKABLE CASE**

Mrs. Thomas Renwick, 35 years old, wife of a candy store keeper of 728 Springfield Avenue, Newark, N. J., gave birth recently to four perfect but weak children and a fifth that had ceased to develop at six or seven weeks. Two of those born alive were boys and two girls. All four lived from ten to fifteen minutes, but all effort to sustain life longer failed. The mother according to Dr. Peter F. Montzbecker, will probably survive, although he says that he was surprised that she lived.

Mrs. Renwick had three times before become a mother and the three children born are living and strong and normal. According to relatives there were two occasions when relatives of hers on her mother's side gave birth to twins.

**MACRAE-WOOD**

A quiet wedding took place at 7 o'clock this morning at the residence of Mr. and Mrs. George Wood, 390 Rockland road, when their daughter, Miss Cora R. Wood was united in marriage to Austin D. MacRae, of Newtonville, Mass. The ceremony was performed by Rev. Gordon Dickie in the presence of the immediate relatives and Mr. and Mrs. MacRae left on the Star Line steamer for Fredericton. On their return they will leave on the Eastern S. S. Co's steamer, Tuesday, August 3 for Newtonville, where they will reside.

Allison Edgecombe, of Fredericton who has been visiting his aunt, Mrs. G. Wilbert Currie, Wentworth street, has returned home.
