EVANGELIST KENYON.

A series of stirring evan-gelistic meetings are to be held in the Charlotte Street United Baptist church, West Side, commencing next Sunday under the leadership of Rev. E. W. Kenyon.

Evangelist Kenyon is Chris-tian leader of international reputation. He combines the magnetism of "Billie" Sunday with the theological grasp of a Jonathan Edwards, the legal mind of a Rufus Choate, the Poetic fervor of a Charles Wesley, the irresistible humor of a Sam Jones and the melting pathos of a D. L. Moody. He is a man of striking personality, endowed with such versatility he grips his hearers and sways them with the passion and logic of his appeals.

Mr. Kenyon will be accom-panied by Prof. Duffy, soloist, cornetist, trombonist and choir leader.

The Evangelist campaign will begin in the Charlotte street Baptist church, next Sunday. Services will be held at 11 a. m., 3 p.m., and 7 o'clock. Every-body will be made welcome.

GENERAL MANAGER

Report of the Auditors to the Shareholders of The Canadian Bank of Commerce

In accordance with the provisions of sub-sections 19 and 20 of Section 56 of the Bank Act, 1915, we report as follows:
We have audited the above Balance Sheet and compared it with the books and vouchers at Head Office and with the certified returns from the branches. We have obtained all the information and explanations that we have required, and are of the opinion that the transactions of the Bank which have come under our notice have been within the powers of the Bank.
We have checked the cash and verified the securities representing the investments of the Bank at its chief office and principal branches at a date other than, and in addition to, the verification at 30th November, 1917, and found that they were in accordance with the entries in the books of the Bank relating thereto.
In our opinion the Balance Sheet is properly drawn up so as to exhibit a true and correct view of the state of the affairs of the Bank according to the best of our information and the explanations given to us, and as shown by the books of the Bank.
