

ROCKWOOD WILL HAVE DRIVEWAY FOR MOTOR CARS

Horticultural Association, At Annual Meeting, Decides On Change

SIR J. D. HAZEN IS AGAIN PRESIDENT

Union Ice Company Asks To Be Given 21-Year Lease

The opening of a one-way automobile driveway through Rockwood Park as early as possible in the present season was decided upon at the annual meeting of the Saint John Horticultural Association held yesterday afternoon in the Board of Trade rooms, when Sir Douglas Hazen, K. C. M. G., president and was re-elected president, entering upon his 31st consecutive year in office. Sir Leonard Tilley was the first president of the association, and Sir Douglas Hazen is the second, having succeeded Sir Leonard Tilley in 1896.

DIRECTORS CHOSEN

Directors were elected as follows: Sir Douglas Hazen, K. C. M. G., A. D. B. Gandy, H. W. Emerson, Hon. H. J. Ritchie, T. H. Estabrooke, H. B. Schofield, G. Fred Fisher, Struan Robertson, John Jackson, R. R. Patchell, Hon. J. E. Wilson, George McAvity, A. T. Thorne, John Sealy, Dr. James H. Frink, H. C. Rankine, E. A. Goodwin, Frank B. Ellis, A. Gordon McVitt, Harold M. Stetson, D. Millidge, Dr. J. Roy Campbell, T. H. Bullock, Hon. J. B. M. Baxter, Judge J. G. Forbes, Walter C. Allison, Harold Wetmore, H. F. Puddington, H. S. Keith, C. F. Sanford, J. Alphonse Gregory, E. J. Terry, R. G. Schofield, D. W. Armstrong, A. F. Blake, William Jack, D. King Hazen, G. B. C. Gandy, H. W. Rising, Frederick deForest and Thomas P. Regan.

OFFICERS ELECTED AT THE DIRECTORS' MEETING

The election of committee members was deferred until an adjourned meeting to be held March 24 at 8 p. m.

SECRETARY'S REPORT

The report of C. F. Sanford, secretary, was as follows: "Ever since my connection with this association the report of the managing committee has been prepared and presented by our late treasurer, the Hon. John Russell Armstrong, whose deeply regretted death has cast that duty upon me."

OTHER LOSSES

"During the past year the society has also suffered the loss of two other members of the board of directors, namely, Edward Sears and William S. Allison, both of whom were very prominent citizens and took a very deep interest in the association. "The winter and summer attractions of the park have been well carried out as in the past by Joseph Tebo. During the present winter season a most successful skating meet was held on Lily Lake under an efficient committee of citizens and it is a great gratification to your directors that at that meet the title 'world champion' was so well earned by one of Saint John's native sons. "The thanks of the association are due to Beverley R. Armstrong, son of our late treasurer, who so kindly carried on the work of the treasurer since his father's death."

FINANCIAL STATEMENT

The treasurer's statement of the late Hon. J. R. Armstrong, which had been completed for the year by his son, Beverley R. Armstrong, showed total receipts of \$6,840.50, including \$8,500 of city grant and \$1,000 for the loss of ice cutting privileges. Expenditures totalled \$6,873.28 and included about \$900 spent in permanent repairs of the green house walls and \$89.88 spent in the purchase of animals. The overdraft totalled \$6,873.28 and showed an increase of \$32.76 over last year's overdraft.

DATE OF GREAT ADVANTAGE

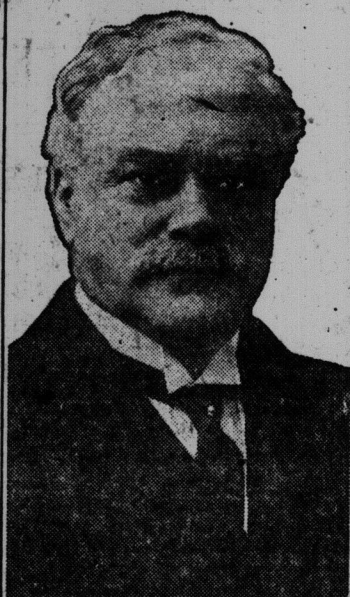

Sir Douglas Hazen stated that the park area is now about 1,100 acres and with the many good roads and improvements the property has a large value and is a very great advantage to the city.

GALE RAZES BOSNIAN TOWN

VIENNA, March 10.—Despatches from the Ardler Zeitung say the town of Livorno, in Bosnia, was razed by a hurricane yesterday, and that the entire population is homeless. No mention is made of casualties.

Airship experts predict that within ten years we may have 400-ton airships, each of which will carry 4,000 men, with equipment equal to ten carloads of freight.

Re-Elected

SIR DOUGLAS HAZEN, who is entering upon his 31st year as President of the Saint John Horticultural Association.

CIVIC GOVERNMENT ADDRESSES GIVEN

W. F. Burditt and A. E. Massie Speak at West End Meeting

A. E. Massie and W. F. Burditt addressed a meeting of the citizens of West Saint John in the Carleton curling rink last evening on the different forms of civic government. Col. Norman P. MacLeod presided. Many were present.

Mr. Burditt said the objects to be attained in civic government were broad representation of the community, effective service, economy, continuity of policy and progressiveness. Representation, he said, was best secured by the ward or district system. Continuity would be obtained by having only a portion of the council retire at each election. Effective service could be secured through small advisory bodies and trained heads of departments. Economy should be effected by close oversight and the fixing of responsibility.

Mr. Burditt illustrated his address by reference to the European systems in operation. He said that in the United States a variety of forms were in use. In some the division of authority between the mayor and council had not been well defined and federal politics intruded. The result was inefficient service and dissatisfaction.

He also spoke of the modern boards of control and the commission system which, he remarked, was well known to Saint John.

W. J. S. MYLES WILL BE ONE OF JUDGES

W. J. S. Myles, principal of the Saint John High School, left today for Sackville to be one of the judges at the inter-collegiate debate to be held in the Mount Allison University Hall this evening when the Mount Allison team will debate with the Dalhousie team on the resolution: "Resolved, That an Imperial Council with representation from the dominions should be established with full control over the foreign policy of the British Empire."

Associated with Mr. Myles as judges will be G. G. Bridges, LL.B. of Moncton, and F. L. Milner, K.C., of Amherst.

MANY CHILDREN ARE BEING IMMUNIZED

There were 37 children attending the immunization clinic at the Health Centre yesterday. During January and February there were 67 children, who received the first dose towards immunization from scarlet fever, and four whose immunization was completed. Also during those months there were 129 children who received the first dose for immunization against diphtheria and 81 whose immunization from this disease was completed. The city doctors are also doing much similar work in the immunization of their children patients. The Provincial Department of Health through the provincial laboratory supplies the material for the immunization free.

NEW MINISTER HERE INDUCTED

Rev. W. L. Newton Assumes Charge At Knox Presbyterian Church

Reception Follows Solemn Ceremony and Minister and Wife Are Welcomed

The induction of Rev. W. L. Newton, M. A., B. D., of Windsor, Ont., as minister of Knox church took place last evening, the solemn ceremony of the Presbyterian Church being impressively carried out in the presence of a large congregation including the members of the Board of Session and several ministers.

Rev. W. M. Townsend presided and as interim minister stated that the pulpit had been declared vacant in October on the resignation of Rev. R. Moorhead Legate and Mr. Newton had received a unanimous call.

Mr. Townsend requested Mr. Newton, and the members of the Presbytery, to come forward and asked the minister-elect to answer the necessary questions.

After Mr. Townsend had read the customary declaration Mr. Newton made his solemn promise to fulfill the obligations of his office. The congregation then attested its allegiance. After the right hand of fellowship had been extended by the members of the session Mr. Newton was declared duly inducted.

Rev. Dr. Morrison read a portion of a letter he had received from Mr. Newton saying that Church union there was far from satisfactory. He spoke of the principles of Presbyterianism which he declared stood for justice, truth and liberty and he assured Rev. Mr. Newton that in Knox congregation he would find true hearts and shared heads. He closed with an exhortation of Mr. Newton to be faithful to his vocation and to minister diligently to his flock.

Rev. J. A. Back, of Woodstock, gave the address to the congregation, urging the members to give the minister full support and to appraise him rightly as an ambassador of Christ to them.

Mrs. Newton is a daughter of Mr. and Mrs. T. L. Spence of Toronto, and is a college graduate. Mr. and Mrs. Newton will take up their residence at 218 Germain street within a few days.

A telegram of congratulation was received from the former minister, Rev. D. J. Fraser, who is now in Montreal. The full choir of the church led the singing and Mrs. Ernest Bisset sang a solo very effectively. A very enjoyable reception in the church hall was then held in honor of Mr. and Mrs. Newton.

The members of the reception committee were Mr. and Mrs. W. L. Newton; George Robertson, Kenneth McRae and Mrs. A. H. Herber and Mrs. R. H. McFarlane. The refreshment table was presided over by Mrs. A. H. Melrose and Miss Grace W. Leavitt. The refreshers were Mrs. Hugh H. McFarlane, Mrs. Frank Pannamore, Mrs. E. J. Terry, Mrs. W. G. Cameron, Mrs. Thomson, Mrs. J. C. Clayton and Mrs. Leavitt Wilson. The young ladies of the church served. The table was entrusted with a silver basket filled with roses and was prettily appointed. On behalf of the congregation Mrs. J. Herbert Crockett presented a beautiful bouquet of roses to Mrs. Newton.

EXTENDS WELCOME

Rev. Dr. J. A. Morrison in his address to the minister extended him a cordial welcome. Rev. J. A. Back, of Woodstock, gave the address to the congregation.

After the induction service there was a conference of the session and the members of the Board of Session, George Robertson, Robert Dolg, and Robert McFarlane, to discuss the rules of Presbytery for final adoption.

COMES FROM TORONTO

Rev. W. L. Newton, M. A., B. D., was born in Ontario, son of Mr. and Mrs. Robert Newton of Toronto. His father is an elder in the Dovercourt Presbyterian church in Toronto. Mr. Newton is a graduate of Toronto University, of Knox College, Toronto, and of the Union Theological seminary in New York. He was for five years minister of Knox church, Toronto. He is now entering upon his second ministerial charge.

CONSERVATIVES TO FIGHT BY ELECTION

Will Name Candidate to Oppose Elliott in West Middlesex

STRAITHROY, Ont., March 10.—The West Middlesex Conservatives have decided to contest the election of the Hon. J. C. Elliott, newly appointed minister of labor in the King cabinet, at the by-election which is to be held on March 29. The nominating convention will be held on Monday next, March 15, in Strathroy. This was the decision reached after some considerable discussion at the executive meeting of the Conservative organization this afternoon.

President Robert McKellar, Glenora, presided. It is stated that Thomas Elliott, ex-Reeve of West Williams, who was a candidate in the last general election, will probably obtain the nomination if he desires it. There is a report that H. V. Lesueur, of Sarnia, who was defeated in the last general election in West Lambton by W. T. Goodison, Liberal, and Manning Doherty, former leader of the Progressives in the Ontario legislature, will contest the nomination.

SLIGHT IMPROVEMENT

Miss Mary Owens, organist of the Tabernacle Baptist church, who has been seriously ill at her home, Brindley street, was reported last night to be making some slight progress towards recovery. Her friends hope for her a speedy return to health.

Two City Beer Licenses Are Cancelled By Inspector

BEER SHOP licenses held by Archie Wilmet and Frank O'Brien were cancelled yesterday by Chief Inspector W. L. McFarlane. Commenting on the matter Mr. McFarlane said that several other licenses were in a fair way to have similar action taken and that other licenses would probably be cancelled within a few days. The chief inspector had a busy day. He received several delegations and individuals most of them with grievances and complaints for the enforcement of the Licensing Liquor Act. He conferred with members of the local staff and impressed upon them the necessity of getting busy and enforcing the act without fear or favor. Mr. McFarlane left for Fredericton last evening.

RUNAWAY MIX-UP

Team Gets Out of Hand in Charlotte Street and Trouble Ensues

A team of horses belonging to James Bourne, 68 Park Cove Road, and attached to a sleigh used for hauling ashes, ran away in Charlotte street yesterday afternoon about four o'clock. The team was driven by Lloyd Irving. It was in the vicinity of Queen square when the horses began to kick and got out of control. They dashed down

Charlotte street and were not quieted until they had gone several blocks. The runaways collided with a horse and sled belonging to A. S. Dykeman, 88 Sydney street. The horse was badly cut and was taken to Dr. Donovan, veterinary surgeon, to be treated. The Bourne team also struck an automobile before being brought to a standstill. Both horses were cut about the hoofs and the sled was badly damaged.

MEETING POSTPONED

The meeting of the Girls' Leaders conference, which was to have been held last night in the Y. W. C. A. residence, was postponed and will be held on Monday evening of next week instead.

JOLLY TIME IS HAD BY CLERKS

Hardware Association Carries On Sport And Social Evening

Hundred and Twenty Assembled at Y. M. C. A. and Thoroughly Enjoy Re-union

The Hardware Clerks' Association members chafed up a new record for a successful annual indoor gathering last night when they assembled some 120 strong in the Y. M. C. A. building and entered heartily into the admirably arranged program of sports prepared by the efficient committee, did ample justice to a very bountiful supper and wound up the evening's pleasure with a most enjoyable social dance. The entire building was placed at the disposal of the hardware clerks for the evening.

Bowling headed the evening events and the committee in charge was headed by T. D. Owens. The T. McAvity & Sons team defeated the W. H. Thorne & Co. team by 8 to 4. The S. Hayward team won from the Emerson & Fisher team by 4 to 2 and The A. R. Williams Co. Limited, representatives won from Robertson, Foster & Smith team by 5 to 3.

Miss Irene O'Brien was convener of the badminton arrangements and mixed doubles were played. Miss Hoyt and Mr. Lasky of Thorne's won from Miss Dolg and Mr. Christopher of McAvity's, while Miss Reid and Roy Willett, representing Hayward's, won from Miss Glass and T. D. Owens of Emerson & Fisher.

James Brown was chairman of the committee in charge of the potato race in which five ladies and five men from each store participated. T. McAvity & Sons' won from Thorne's, Hayward's lost to Emerson & Fisher, while Robertson, Foster & Smith team won from A. R. Williams.

H. Harshorn was chairman of the committee which directed the swimming races. Fred Toole won the prize for the most points and also gave a fine exhibition of swimming stunts.

H. D. Sullivan headed the committee directing the medicine ball for mixed teams. Teams of five ladies and five men represented the different stores. McAvity's won from Thorne's and The S. Hayward team won from Emerson & Fisher team.

Running races were staged next and L. W. Dobson was chairman of the committee for these events. The 440 yard dash was won by Edwards, of McAvity's, in 59 seconds, with McAvity's, second, in 60 sec.

The whole company sat down to an excellent supper provided by an efficient committee and very attractively served. Miss Foster was the convener of the committee.

T. A. Ramsay, the president, gave a brief address. With hearty unanimity a very cordial vote of thanks was extended to the Y. M. C. A. for the use of the building.

After supper the company repaired to the gymnasium floor where dancing was indulged in until midnight.

DISABLED VESSEL IS HELD UP FOR NIGHT

ST. JOHN'S, Nfld., March 10.—Six miles off this port the 600-ton freighter Kentucky is being held in check for the night by the S. S. Silvia and Sabie Island, awaiting daylight to negotiate the narrows.

A tug returned from the scene at 7 p. m. and reported that the heavy sea running made it impossible to go alongside or communicate with those on board. The bow of the Kentucky is stove in and the rudder has been carried away.
