BLASTING CASE.
Thomas Williams did not appear in the police court today on a charge of blasting without using proper protection, and it was decided to bring up the case on Friday morning at 10:30 o'clock. This is said to be in connection with the falling of rock through the roof of a house occupied by Mrs. J. W. McCarthy at 12 Clarendon street on December 21.

TO PREVENT FRAUD.
It was said today that people, claiming to represent the Memorial Workshops, have been calling on citizens, soliciting work, money, and identification cards has therefore been issued by the shops, signed by the chairman, Mayor Schofield, which reads: "This is to certify that (name) is a member of the Memorial Workshops for the month of —. These cards will be changed every month to prevent their improper use, so the mayor said today.

PRESENTATIONS.
The staff of Jas. W. Brittain Weigher each received a large turkey for Christmas, and on Saturday afternoon took the opportunity to extend their best wishes to Mr. Brittain by presenting him with a handsome silk umbrella. C. L. Hamilton made a short speech on behalf of the staff thanking Mr. Brittain for his kindness to them and wishing him the best of luck for the future. Mr. Brittain left by train on Tuesday evening for New York and will also visit Montreal before returning.

CAN NOT DO IT NOW.
A committee from the St. John Municipal Council recently presented a recommendation that the provincial government be memorialized to carry out the work of straightening of a dangerous curve near the western approach to the highway bridge across the reversing falls in order to afford some relief for the unemployed. The recommendation was carried out and the council has received a reply from Hon. P. J. Veniot, minister of public works, in which he states that it will not be possible to do the work at the present time. He said that an extensive survey of the location would first be necessary, and as all provincial engineering staff was busy at the present time, this work could not be undertaken.

NEWMAN BROOK BRIDGE.
Commissioner Frink said this morning that G. N. Hatfield, road engineer, had made an inspection of the proposed work at the Newman Brook bridge and would prepare a report which would be presented at tomorrow's meeting of the common council. It is expected that the plan which will be recommended by the road engineer will involve the taking of the rock and other spoil which was taken from Newman Brook when it was deepened last summer and placed on top of the arch which was put in under the bridge. This will make way for the removal of the bridge in the spring. Another plan suggested was the use of material taken from grading operations on Millidge avenue, but it was not considered practicable to carry out this work during the cold season.

KNIGHTS' ASSEMBLY.
A most enjoyable evening was spent by about 100 of the St. John Council, Knights of Columbus, and their lady friends at the annual Christmas assembly and bridge, held last evening in their hall in Colchester street. The large chamber and the other rooms in the building were attractive in their festive decorations. The guests were welcomed by the chaplains, Dr. W. P. Broderick, district deputy, and Mrs. Broderick; Edward J. Henneberry, grand knight, and Mrs. Henneberry; and Mr. and Mrs. Robert J. Murphy. Supper was served in the dining room, which was elegantly decorated. Mrs. Broderick, Mrs. Henneberry, Mrs. Murphy and Mrs. William Donahue poured. A fine orchestra was in attendance. Arrangements were in the hands of a committee under the direction of William J. Carney, lecturer.

TWELVE IN COURT AFTER IMBIBING

Police Court Session Today
—Morrissy Sentenced To-morrow.

Eleven of thirteen who were before the police magistrate yesterday charged with being drunk were brought up again this morning, and one additional man was present on a similar charge made early this morning. Of the twelve who appeared, five were allowed to go on paying their fines. The magistrate remarked that most of the people arrested early in the morning claimed to have been getting lunches in restaurants. He would like to see some steps taken to have these places closed. His Honor phrased the difference between taking a drink occasionally and getting drunk. Harry A. Morrissy, who pleaded guilty last week to a charge of theft from the mails while an employee of the post office department, was remanded until tomorrow at ten o'clock for sentence.

Preliminary hearing in the case against Charles Fullerton, charged with assaulting and robbing William Mullin and also with stealing two scarves from the store of Charles Magnusson, was continued this morning.

William Godwin, driver of the patrol wagon, told of the arrest and of later finding two scarves, which he identified as two in court, under the seat in the wagon.

Charles Magnusson testified that he had seen three or four young fellows, one of whom resembled the accused, in the store and had sold one of them a tie or a pair of braces. When he returned from making change he saw one of the men make a motion as of putting something under his coat or in his pocket. He identified the muffers produced as part of his stock, and valued them at \$5.00. He said he had never sold any of the ones in the store a muffer or muffers. The case was postponed for further evidence.

POINT OF INTEREST IN COURT CASE

Judgment in Matter of Woodstock Man Against Welford Man Over an Auto.

Mr. Justice Chandler delivered judgment yesterday in the case of Thomas W. Griffin versus B. L. Journeay. The plaintiff is a doctor practicing in Woodstock, and the defendant runs a garage and repair shop at Welford. In the fall of 1919, the plaintiff stored his automobile for the winter in the barn near Welford. In the spring of 1920, the plaintiff employed one Charles Bell of Woodstock to go down to Welford and bring the car to Woodstock. Mr. Bell obtained the car, but after proceeding a short distance, it broke down, and he told the defendant to take the car to his garage and repair it, and when repaired to notify him at Woodstock. The defendant, unbeknownst to the plaintiff, told the plaintiff that Mr. Bell owned the car, but some weeks later and after the car was repaired, the defendant was told the plaintiff was the registered owner of the car, and notified him by letter that the car was in his garage at Welford. The plaintiff without answering his letter or communicating with the defendant in any way, issued a writ against the defendant for damages for detention, and had the sheriff replevy the car. In his Statement of Claim, the plaintiff alleged the defendant detained from him one Ford automobile which the defendant refused to deliver up to the plaintiff, although often requested so to do. The case was tried before Mr. Justice Chandler at the November sittings of the Circuit Court at Woodstock, and in answer to several questions put to them by His Honor, the jury found that there had been no demand by the plaintiff upon the defendant for the car, and no refusal to give it up. His Honor reserved decision until after argument of the points of law involved, which argument took place before him in Chambers on the 20th instant. Yesterday His Honor delivered judgment in favor of the defendant with costs.

J. C. and R. P. Hartley for the plaintiff; Inches, Weyman, and Hasen for the defendant.

GIVEN DINNER AT PEOPLE'S PALACE

Preparations were made at the People's Palace of the Salvation Army to feed 100 men and at noon it was expected that all the tables would be full. The dining-room was specially decorated for the occasion with flowers on the tables and Christmas hangings around the walls. A first class dinner was prepared consisting of soup, roast beef, roast lamb, mutton, three kinds of vegetables, two kinds of pie, biscuits, tea and coffee, oranges and Christmas candy. The officers who attended the tables were:—Adj. Moore, Capt. Millard, Capt. Wheeler, Lieut. Pocock, Lieut. Levey, Capt. Harrison, and Lieut. Burrell. Major Burrows gave a short address to the men and Commandant Sheard, who is in charge of the People's Palace, expressed his gratitude for the generous gifts from business men of the city who had helped to make the preparations for the dinner successful.
