Men's Suits, \$16

Formerly \$22 to \$33

Quite a reduction you will agree, from \$22 to \$33 values for \$16, but to see the suits themselves will show you just what a genuine reduction the price represents. Suits, naturally, are in every way up to the Turner standard of quality and workmanship. They are possessive of that style that men of action call for and the price tagged is so attractive that the only thing needed to say here is for our customers and friends to make an early journey this way before the suits are all cleaned out. See window.

LOCAL NEWS

SOME NICE FISH

R. J. Wall of this city has received a basket of nice fish from his son, Edmund, who is a guest of J. J. McGaffigan at his camp, Alderwood, in Tracadie.

PICNIC TODAY

The Ludlow street Baptist Sunday school picnic was held at Grand Bay this afternoon. A large number went up on the 120 train.

MANY WENT

A large number of people went up the river on the Sisabo to attend the Knights of Columbus picnic at Crystal Beach today.

NO WORD OF BOYS

Thus far the local police have received no notification of the apprehension of two youths who escaped from the Boys' Industrial Home on Tuesday evening.

GAVE CHILDREN GOOD TIME

The Mothers of St. Paul gave the children of the Wright street Memorial Home a picnic on Tuesday afternoon. Ice cream and candy and oranges were served to the children and a good time was enjoyed by the young folk.

BANK CLEARINGS

Bank clearing for the week totaled \$2,218,385, as compared with \$3,239,327 for the same week last year, and \$3,289,490 in 1919. In Halifax the clearings were \$3,274,222 and in Moncton, \$1,247,202.

OFF TILL TOMORROW

Some evidence given by J. J. Donovan, president of local 278 of the International Longshoremen's Association, was read over to him this morning in the police court when the case of C. G. Langlois resumed. It was adjourned to tomorrow at noon.

WHO MAY VOTE

The Times has been asked who may vote in the harbor commission plebiscite. Common Clerk Wardrop replies that all taxpayers, both men and women, whose names are on the assessment roll for this year may vote. The lists are now being prepared.

BEER CASE

A case against George F. Baxter and James Connolly, both of Main street, upon whose premises 100 bottles of beer were seized yesterday by Constables Crawford, Journey Thompson and Henderson, was not taken up in the police court this morning. A hearing will probably be given tomorrow.

TO K. C. SUPREME COUNCIL

W. J. Mahoney, Past State Deputy of the Knights of Columbus, will leave this evening, where he will join the New England knights on their way to the convention of the supreme council which is to be held in San Francisco. On the way the party will stop at Vancouver and Victoria.

N. H. S. OUTING

The annual picnic of the Natural History Society was held this afternoon at Ashburn Lake. The party left the city by automobile about 2:30 o'clock, and were quickly carried to the scene of festivities. A bounteous luncheon was served on the grounds. The picnic party will return to the city sometime this evening.

DIED TODAY

The death of Mrs. Phoebe Dixon occurred at the Home for Incurables at seven o'clock this morning. She was sixty-four years of age. She is survived by one sister, Mrs. McKay, of St. John, and two brothers, who reside in Connecticut. The funeral will be held from the Home for Incurables to Fernhill tomorrow afternoon.

LITTLE RIVER APPEAL

A wild will comes to the Times from Little River. Our correspondent mourns the fact that the older folk will give no encouragement to baseball; that an effort to organize the Boy Scouts is meeting with little or no encouragement from parents; and that an effort to form a community club failed. The people thereabouts are urged to wake up to consider the welfare of the young people and to make life for them more worth living in that neighborhood.

EIGHT MEN OF ORDNANCE CORPS LOSE PLACES

Following an announcement made recently by the strength of the Canadian permanent force would be reduced by about ten per cent, eight men in this district have been notified that they will be discharged with effect from July 31. At present the permanent force is composed of about 4,000 men and of these about 400 are to be discharged the last of this month. In a detailed list of the services to be affected by the reduction sent out recently from Ottawa it was said that the Royal Canadian Ordnance Corps would be reduced by about eighty men. The eight men in this district who have been advised of their impending discharge all belong to the ordnance corps. Some of these are men with families and their discharge at this time comes particularly hard. No attention is paid to the time of their enlistment and no opportunity is given to complete their years of service. Their pensions are computed at the rate of two per cent of their pay up to twenty years service and four per cent from twenty to twenty-five years. The end of the year of enlistment for some of these men may be in August and after having served eleven months of their year they receive no recognition of this in their pension arrangement but are given credit for only the full years which they have put in.

According to the text of an order received recently from Ottawa when a man was to be given his discharge and the time of his release fell within a reasonable length of time of his completed term in his pension. Under the new order no provision is made for this but all are summarily discharged at the last of the month.

It was said today that it was not expected that the ordnance corps would be attached in this district as there is considerable work to be done in this connection in St. John. Shipments are continually arriving here and they have to be checked and taken care of by men whose integrity is established and who are capable of maintaining a system of accounting for details in relation to the work. The word that eight would be discharged from here came, therefore, as considerable of a surprise. No officers are included in the recent order regarding reduction of strength as officers were notified last spring that their strength would be reduced.

CITY MAY REMOVE STREET CAR TRACKS IN BRUSSELS ST.

Delay in Relaying Causes Cut in Paving Staff from 128 to 20—Dr. Frink Quotes Authority for Proposed Action.

That the delay in the work of relaying the tracks in Brussels street by the New Brunswick Power Co. was holding up the paving work there and that he proposed removing the rails by city workmen and placing the concrete foundations in the track sections, was a statement made by Commissioner Frink at a meeting of the common council in committee this morning. Dr. Frink quoted from the power company act a section which gave him authority to do this. In the absence of Mayor Schofield, Commissioner Thornton, of the safety department, president and all other commissioners were present.

Replying to a question regarding Brussels street Dr. Frink said the work there had been curtailed to a considerable extent. About 128 men were employed and on Monday at noon the concrete foundation on one side had been completed with the track section done. He said a few men were working on the curb on the east side of the street. Tonight there would be about twenty men on the job.

The space under the ties was filled with concrete on the lower end when the street railway trouble arose and since that time little work had been done on resetting rails. A few men were at work on Saturday but he understood that they were interfered with by onlookers and no further work was done until yesterday when he understood that a few of the street railway crew were at work.

Remove the Rails. Dr. Frink said it was his intention under the act to lift the rails and lay them on one side while concrete was laid under the track section. He read the section of the act which allowed the city to do this. He said, had there been no interruption, the work might have been finished by September 1. He said the delay was preventing the re-opening of the street through the foot of Waterloo street. He had taken the matter up with Gen-manager Thomson, of the power company, who said that he would do his best to continue the track-laying operation.

Commissioner Frink said regarding the petition of the residents of Murray street to grade the entrance from Main street, that the board of assessors had advised him that of the fifty-three people who signed the petition thirteen were property owners and the rest tenants.

Dr. Frink reported that the northly approach to the Pokok bridge had collapsed and some action would have to be taken.

MANAGER SAYS FIVE CENT FARE COMPANY POLICY

Mr. Thomson Speaks of Ultimate Objects—Jitney Drivers Must Have Chauffeur's License.

A five-cent fare, new cars, and adequate trackage properly looked after will be the ultimate objectives of the policy which will be adopted by the New Brunswick Power Co. as soon as their services have resumed normal, said Percy W. Thomson, general manager of the company, announced this morning. He said that this policy would be adopted irrespective of any action taken by jitney concerns to compete with the company's business here. He said there was no change in the situation this morning.

In conversation with a Times reporter this morning, W. H. McQuade, operator of provincial taxation, said that operators of motor cars for the carrying of passengers were compelled to pay the law to be in possession of a chauffeur's license whether they operated their own cars or others. This license was granted by the provincial government after examination. He also said that there had been complaints that cars were allowed to become obscured by mud and dust, and he said that proposition would follow any cases of this kind which were reported.

CANADIAN NAVY IS DUE HERE ON SEPTEMBER 2

R. E. Armstrong, secretary of the board of trade, said this morning that in response to an enquiry made by him, he had received a letter this morning from Halifax saying that the Canadian naval squadron would arrive in Halifax on July 28 and would be in St. John harbor on September 2.

O'KEEFE-MILLER

In the Cathedral of the Immaculate Conception, at seven o'clock this morning, Rev. Roy McDonald united in marriage Miss Veronica Miller, daughter of Mrs. John Kobbler, 3 St. David street, to Francis Charles O'Keefe of Fairville. The bride was becomingly attired in a fawn suit, with hat to match, and carried a prayer book. She was attended by her sister, Miss Gladys Miller, who was dressed in pink silk, with hat to match. Max O'Keefe, brother of the groom, acted as best man. After the ceremony the wedding party drove to the home of the bride's mother, where a dainty breakfast was served. Many beautiful presents were received, among them an electric reading lamp from the employees of T. Han-kine & Sons, with whom the bride was associated. Mr. and Mrs. O'Keefe will reside at 289 Charlotte street.

Calgary Fire, \$30,000. Calgary, July 21—Fire yesterday destroyed a storage warehouse occupied by the Standard Vinegar Company and several other firms. The loss is estimated at \$30,000.
