PRESENT ADDRESS TO SIR FREDERICK

Pleasant Event at Supreme Court in Capital

CONGRATULATIONS OF BAR

Mr. Baxter Makes Presentation and Chief Justice Replies—Death of David Burpee, Prominent as Contractor and in the Liberal Party of Province

(Special To Times)

Frederickton, N. B., June 10.—A pleasant incident marked the opening of the June term of the supreme court here today when the Barristers' Society through the president, J. B. M. Baxter, presented Chief Justice, Sir Frederick Barkett, an address congratulating him on the honor conferred upon him by his sovereign.

Mr. Baxter referred to the fact that only two of Sir Frederick's predecessors, Sir James Carter and Sir John Allan, had received knighthood, while a third, New Brunswick Judge, Sir William Ritchie, had received the honor while filling the office of Chief Justice of Canada. He heartily congratulated Sir Frederick and spoke of the cordial relations which existed between the bench and the bar. He expressed the hope that Sir Frederick and Lady Barkett would continue to enjoy health and happiness.

Sir Frederick thanked the members of the society for their kindly expression and remarked that they had opportunities of judging the character of judges which those outside the profession did not have. These kind expressions were therefore doubly valuable. "It would be useless, said he, for me to say that I do value it. I take it not only as a compliment to myself individually but more especially as a compliment to the bench of the province. I hope that will continue on the bench the same good feeling will exist between the bar and myself as exists today."

Sir Frederick also thanked the bar for the kind remarks passed last winter on the occasion of his leaving on a trip to Europe.

Frederickton, N. B., June 10.—David C. Burpee, a well-known contractor, died unexpectedly at his home in Gibsons early this morning from heart trouble. He had been ill for more than a month but was able to attend to business until a few days ago. News of his death was a painful shock to the community. He was a native of Shelburne and was seventy years of age. For many years he carried on a business in partnership with his brother-in-law, the late James E. Simmons. They built the first highway bridge across the St. John river at this point and many other important structures in different parts of the province.

They also constructed most of the bridges on the line of the Bangor & Aroostook railway. In politics Mr. Burpee was a staunch Liberal. He is survived by his wife, three sons, two daughters, one brother, Thomas Burpee of St. John, and one of his sisters, Mrs. J. E. Simmons of Ottawa.

Vancouver, June 10.—Robert Estabrook, a son of Rev. H. G. Estabrook, superintendent of Baptist missions, died last night after colliding with a street car while he was cycling.

Nanaimo, B. C., June 10.—An attempt by the Vancouver-Nanaimo Coal Company yesterday to operate its jingle pole mine near here with men not members of the United Mine Workers of America was a complete failure. Fewer than half a dozen men, out of a total force of 250 responded. The half-dozen men who were willing to go to work returned home.

THE RIGHT OF SEARCH

Are Canadian Police Justified in "Going Through" Prisoner?

Calgary, June 10.—Are Canadian police officers within their rights when they insist on taking away all the belongings of arrested men as soon as they are taken to the police station after being apprehended? This is a question which is being generally discussed as a result of a statement made from the bench here by Mr. Justice Beck of the Alberta supreme court in which he has decided issue with the police. Judge Beck said in part:

"The official regulation for search (mounted police) is for the purpose of taking from the prisoner dangerous weapons, evidence of crime or means of escape. In the case before me the supposed offence, which I found had not been committed, but which, if it had, would, under the circumstances, have been a trivial one, was committed in the presence of the moment in the presence of the police. It was not one in which any evidence of the offence could be found on the prisoner. He was a respectable citizen and there was no reason to believe that evidence of other offences would be found upon him or implements intended to enable him to escape."

A very casual search for such things would, in my opinion, have been sufficient without doing what was done, namely, taking from him his private papers. The police authorities do not, I fancy, think this a proper way of carrying out the regulations in the case of an unconvicted prisoner. If they do think so, they have my opinion, whatever it may be worth, to the contrary."

BRITISH POLO TEAM ARE THE FAVORITES

First Match With United States Quartette This Afternoon

New York, June 10.—Fair weather brought out a great throng of sport loving persons today for the first of the polo matches between British and United States teams for the Westchester cup.

The trophy for many years has been regarded as emblematic of the world's championship. The final decision of the American Polo Association to put the "big four" quartettes in the final round, longer, developed a shortening of the odds reported in the betting, but the British quartette seemed to still rule a favorite.

There was still gossip of a proposal in the English camp to substitute Lord Woodhouse for Captain Vivan Lockett at back, but it was doubtful that the move would be made in the first game. The line-up therefore stood as follows:

British. United States
No. 1.—King George and Queen Mary
No. 2.—Noel Edwards
No. 3.—J. M. Waterbury, Jr.
No. 4.—Capt. R. G. Rittion H. P. Whitney Back.

Capt. V. Lockett, Deveroux Millburn and the British playing contingent moved over early today from the Piping Rock Club, where they have been practicing, to the Meadowbrook course, addition to the squad of ponies in charge of their groom. The game was not scheduled to begin until 4.30 o'clock in the afternoon.

MAGNIFICENT DRESS OF QUEEN

Fourth Court of Year Held at Buckingham Palace Last Night

London, July 10.—King George and Queen Mary held the fourth court of the year at Buckingham Palace last night. The queen was dressed in Indian gold brocade, with a panel embroidered with diamonds and a train of Irish lace lined with gold tissue, with a deep emerald brocade border. She wore a diamond crown, with rows of pearls and pearls and diamond ornaments with the Order of the Garter.

In addition to the king and queen, the other members of the royal family present were the Crown Prince and Princess of Sweden, the Duke of Connaught and Princess Patricia.

CONFIRM CAPTURE OF CITY BY REBELS IN TROUBLED MEXICO

Mexico City, June 10.—Twenty survivors of the federal garrison which was surrounded in the defence of Zacatecas today were confirmed to have been captured by the rebel forces a month ago. The reports which the survivors furnished were telegraphed to the official of the war department here.

The other members of the garrison, about 800 soldiers all told, were either captured or killed as, according to the reports, they were fighting a rebel force three times as large as the garrison. They said they resisted until fighting in the streets resulted in the killing of many non-combatants.

The successful rebels forced loans and looted to some extent. One of the richest residents of Zacatecas was executed because he refused to contribute 20,000 pesos. The governor was made a prisoner. No mention was made of any foreigners being injured.

WHISKEY MARKED AS "HARDWARE" SEIZED

Boston, June 10.—Because five boxes containing five gallons of whiskey all destined for Pine Point, Me., were marked "hardware," the shipment was seized. The action was taken under the pure food act.

FOUND DEAD IN STABLE; WOMAN AND MAN HELD

Govan, Sask., June 10.—As the result of the finding of the dead body of George White, a livestock man, in his stable on last Tuesday, Mrs. Dora White and John Goldspink have been arrested. Coroner Gotham conducted an inquest, and the jury returned a verdict of "death as a result of a wound inflicted by some person or persons unknown."

New Railway Near Calgary

TO DETERMINE VALUE OF UNITED STATES RAILWAYS

These are the men who will determine the physical valuation of the railroads of the United States—meaning that they will find out exactly what every ft. of rail, gas, engine, station building, warehouse, machine shop, tool etc., would bring if offered for sale to the highest bidder. They are, from left to right:—Howard M. Jones, J. S. Worley, Edwin F. W. Endt, W. D. Pence and R. A. Thompson. Pence and Thompson come from the Wisconsin and California Railroad valuation, respectively. It is estimated that ten years will be consumed by the experts in completing their great task.

FERRY SINKS; FIFTY DROWNED

Dilapidated Boat Went Down While Crossing Russian River

St. Petersburg, June 10.—About fifty people were drowned by the sinking of a dilapidated ferry boat while crossing the river Tchepta on the Russian Asension Day, June 9, according to reports reaching here from Yastka.

The boat was proceeding to the town of Glasgow, ninety-eight miles from Yastka. A riot ensued among the populace of the district owing to the indignation about the laxity of the police supervision of the ferry.

More Brides of June Today

Frames-Conningsham

An interesting early morning wedding took place today at the home of the bride's parents, Mrs. and Mrs. Frank Conningsham, 77 Simonds street today, when their daughter, Miss Dollard, was united in marriage to Arnold E. Frame, Rev. R. H. McKinnon, rector of St. Luke's church, officiating. The wedding was solemnized at six o'clock and after a dainty breakfast served at the home, Mr. and Mrs. Frame left on a trip through Nova Scotia. On their return they will reside in Simonds street.

The bride was immaculate. She was dressed in a pretty costume of black and white corduroy. Her traveling suit was of navy blue with light-colored accents. Many pleasing wedding remembrances were received by the young people whose many friends wish them all possible happiness and success. The gifts included a handsome silver seal-top dish from F. G. McKinnon and staff with whom the bride was engaged, and a valuable set of glass water set from the groom's associates, Mr. R. A. A. besides a large variety of other remembrances from friends.

Smith-May
In Holy Trinity church at 7.30 o'clock today morning Miss Alice Ronley May, daughter of Michael L. May, was married to Joseph L. Smith, son of Louis M. Smith, in the presence of a gathering of relatives and friends. The ceremony was performed by Rev. J. J. Walsh with nuptial mass.

No. 10.—The queen was becomingly gowned in a costume of pearl grey silk, with hat to match. She was attended by Miss Meyer Flynn, attired in a grey tailored suit with hat of corresponding color. The groom was supported by Thomas W. Pope. After the ceremony the wedding party drove to the home of the bride's parents in Hawthorne avenue, where breakfast was served. Mr. and Mrs. Smith will leave by the afternoon train for Montreal, where they will remain during the summer months, the bride's traveling costume is of blue whipcord with hat to match.

BULGARIANS AND SERBIANS SAID TO BE FIGHTING

(Canadian Press)

London, June 10.—Many Serbians were killed today in a serious encounter between Serb and Bulgarian troops near the small town of Makra to the north of Istip, according to a special despatch to Belgrade, forwarded here by the Exchange Telegraph Company.

Further conflicts are expected in the same vicinity, as the Serbians on Monday sent a note to the Bulgarian commander giving him until seven o'clock in the evening to evacuate the small town of Volodan, falling which the Serbian general declared he would bombard Istip, now occupied by the Bulgarians.

A Sofia despatch to the Daily Mail says that the departure of the Bulgarian minister, accompanied by his family for Belgrade, has caused much comment. Bulgaria's reply to the Serbian note, the despatch adds, will be to the effect that Bulgaria is not in a position to make concessions of any kind as she feels that she is absolutely in the right and the Serb's claims are totally unfounded.

London, June 9.—The ambassadorial conference yesterday discussed the question of providing for Serbia a commercial outlet to the sea. A tentative plan was adopted and will be submitted to the home governments for further consideration.

Sofia, June 10.—The president of the volunteer societies has suggested a telegram sent a note to the Bulgarian commander giving him until seven o'clock in the evening to evacuate the small town of Volodan, falling which the Serbian general declared he would bombard Istip, now occupied by the Bulgarians.

Edmonton, June 10.—Henri Bourassa, Quebec Nationalist leader, and editor of Le Devoir of Montreal, arrived in the city last night to take part in a French language society convention. He will be the guest of the Canadian Club at a luncheon at the Corona Hotel on Wednesday afternoon. Mr. Bourassa will speak on "the racial problem in Canada."

EXCHEQUER COURT

Claim For \$180,000 is Being Heard Here

Hearing in the case of the King on information of the attorney-general vs. The New Brunswick Railway Company and the Central Trust Company of New York (the latter company being joined as defendants only on account of their being messengers) was commenced in the exchequer court this morning before Judge Audette. The crown filed their plea of expropriation and rested their case.

The claim of The New Brunswick Railway Company is for \$180,000, for compensation for lands taken by the Transcontinental Railway for right of way across the New Brunswick Railway Company's timber lands, a distance of forty miles, for timber standing on right of way, for increased cost of lumbering operations and for an allowance to the company to maintain a fire patrol to protect their timber lands.

Reginald H. Bradley, an arts graduate of Toronto University and forestry graduate of the Biltmore College, was on the stand all morning and told of the nature of the lands. The case is being continued this afternoon.

J. C. Hartley of Woodstock, and R. B. Hanson of Fredericton, are appearing for the crown and Col. H. H. McLean, K. C., and Fred R. Taylor for the defendants.

"SENSATION" PETERS OUT

Guns Imported into Belfast so Old That No Present Day Cartridges Would Fit Them

Montreal, June 10.—A special cable to the Montreal Star says: All sorts of gossip continues to surround the recent discovery of several rifles of ancient date at Belfast and Dublin. The government's intentions are still unknown.

It is now said that the seizure of the arms was due entirely to the custom of officials, and that the executive is not concerned. It is also said that the consignees meant to contest the legality of the seizure in the courts. But the consignees are not named, and everybody mentioned as knowing something about the incident disclaims all knowledge of it. The idea that the whole thing was an expensive joke is borne out by the assertion of the radical Daily Chronicle that the Belfast contingent of rifles was practically useless because the guns were so antiquated that no existing cartridges would fit them.

PROBATE COURT

In the probate court today the matter of the estate of Mrs. James Mitchell, late of Lunenburg, was taken up. James Mitchell, of Fairville, carriage builder, and John Avery of the same place, both merchant had been appointed executors and trustees. The latter died. The former has now filed the accounts of himself and his co-trustee up to the time of his death and his own subsequent accounts, and asks that they be passed and allowed. A citation was issued returnable on Monday, July 14 at 11 a. m. in Barnhill, Seving & Sanford are proctors.

In the matter of the estate of Ethel Frances Buchanan of Holyoke, Massachusetts, spinster, Alexander Adams and John T. Hazelwood, the executors of Mrs. Frances E. Buchanan, widow, and of Ethel Frances Buchanan, a grand-daughter until she came of age and who is now of age, presented their accounts under a citation issued. The accounts passed. Robert G. Murray is proctor.

BYE-ELECTIONS IN WEST

Regina, Sask., June 10.—Writs have been issued in connection with the vacancies in the two provincial constituencies of Hanley and Cumberland in the case of Hanley nominations will be held on Saturday, June 21. Polling one week later.

The Cumberland election was necessitated by certain officials failing to comply with the regulations of the act at the last election. The supreme court refused an application for a mandamus calling upon the returning officer to declare McKay, Conservative candidate elected. This is one of the two far northern ridings in which, owing to its inaccessibility the fixing of a given date for nominations is left to the returning officer.

SUFFRAGETTES REMANDED

London, June 10.—Two women were charged today at Richmond police court on suspicion of having set fire to the stands on the Hurd Park race course yesterday, and causing damage to the extent of \$70,000. They gave the name of Kitty Marlon, who described herself as an actress, and Clara Elizabeth Gleason, who is a well known militant suffragette, and has undergone several terms of imprisonment. They were remanded for further hearing, but were released on giving bail for their appearance.

HOME RULE BILL LIKELY THROUGH WITH MAJORITY INTACT

(Times' Special Cable)

London, June 10.—So far as can be ascertained this morning the second reading of the home rule bill will go through tonight with a practically unimpaired majority. In this matter the Liberal party remains unchanged and not even Balfour's brilliant speech last night could hide the bankruptcy of Tory statesmanship when confronted with the problem of Ireland.

QUERY IN THE COMMONS

Sir Edmund Walker, in London, Speaks on Canadian Financial Matters—As to Naval Question, Sees Parties Viewing as to Which is More Loyal

(Canadian Press)

London, June 10.—In the House of Commons yesterday, Sir W. Byles said the first lord of the admiralty whether, in view of the fact that he informed the house in last December that the Canadian contribution to the navy was to be in addition to and not in any degree in substitution for the existing British programme, he would explain why that programme should be rendered in any degree inadequate by the temporary check in providing the Canadian addition.

Mr. Churchill, in reply, referred Sir William to the admiralty memorandum of December last, and to his own speeches in March.

Sir W. Byles asked if this acceleration was not in conflict with the spirit of the naval holiday policy.

Mr. Churchill said this had been most carefully kept in mind, but he expressed the opinion that he could not discuss the matter with any advantage or in a manner satisfactory to the house at the present time.

Sir Edmund Walker.

Earl Grey presided over a Royal Colonial Institute's luncheon to Sir Edmund Walker yesterday. In an address which received close attention, Sir Edmund declared, regarding Canadian financial propositions, that no country had ever been called upon to assimilate new arrivals to the same extent as Canada. He did not see that Canada was blameworthy for wanting money. There were no promises made in responsible quarters regarding Canada which would not be fulfilled and said the policy of expansion showed a tendency to lessen it was impossible that Canada could be any thing but a borrowing member. The decline of speculation in real estate was a source of great satisfaction in Canada.

Adding to the policy, however, imperial defence had been discussed only incidentally in Canada. Both parties, though, revealed themselves as striving with each other as to which was the more loyal. Five years ago there was no such spectacle and the present situation was merely in the nature of a little hitch.

AMERICAN REPORT SAYS KING GEORGE IS LOSER ON C. P. R.

Slump in Stock Market Last Week Said to Have Cost Him \$100,000

New York, June 10.—A cable to the Tribune from London says: "Heavy losses by King George in the recent slump of the stock market were the occasion for a prolonged audience which Sir George White, the king's private solicitor, had with the king on the morning after Derby day. The consultation was to arrange for the realization on certain securities held in trust by the king by Lord Stamfordham and another member of the household, and the queen took part in the conference.

"The king's losses are understood to have resulted from extensive operations undertaken on his behalf in Canadian Pacific. Last week that stock declined fourteen points in the London market, and the king's loss is stated to be \$100,000.

"Lord Revelstoke is the king's private financial adviser, but the operations in Canadian Pacific were undertaken contrary to that banker's advice."
