## This is the safest store from which to buy your HOSIERY

Nothing is more disappointing than a poor quality of hosiery, and there are few things in which it is so difficult for anyone but an expert to distinguish the worthy from the unworthy.

We protect the patrons of our hosiery department from dissatisfaction by handling only qualities that we know to be trustworthy. We buy from only reliable makers, and subject every purchase to a minute examination, rejecting every pair of stockings that does not come up to the high standard we've set for ourselves.

We have stockings for as little as 25c. and for as much as \$1.50. Every pair from the lowest to the highest price is a thoroughly good quality which is certain to prove eminently satisfactory.

You'll find a complete stock of light and medium weights here, in all sizes.

### TWO NEAR DEATH FROM LIGHTNING

Bolt Passes Through Bedroom of St. Stephen Young Women—They Are Uninjured

Calais, Aug. 1.—Two young St. Stephen women narrowly escaped death in a violent electrical storm which passed over the border early on Wednesday. The young women were asleep when the storm came up. A bolt of lightning struck the house and passed through their bedroom, ripping up the floor near the bed to the accompaniment of a terrific peal of thunder. The lightning went out through the wall of the house without injuring either of the young women although for a few moments, they were almost stunned by the shock of the crash. The thunder was accompanied at Milltown by a peal of a hail storm, which did but little damage.

## HERBERT B. HALL IS HOME ON VISIT

One of The Pioneers of Lloydminster — Farmers Look For Bumper Crop

Herbert B. Hall, son of Stephen S. Hall of Hall & Fairweather, is renewing old acquaintances in the city. Mr. Hall, accompanied by his daughter, is home from the west where he has been for the last eight years.

Speaking to a Times representative this morning Mr. Hall said he had just come home for a few weeks to visit his father, who celebrated his eighty-seventh birthday a short time ago. He also intends paying a visit to Gagetown where he was formerly engaged in farming. Mr. Hall owns a large retail store in Lloydminster, Sask., and was one of the pioneers of that place. When he built his house and store there eight years ago his nearest neighbor was a mile away and he is now in the centre of a fair sized town.

Mr. Hall says that the farmers are looking for a bumper crop in the west this year which will make business conditions much better than they have been. He also expressed his entire pleasure with the growth of St. John since he last saw it.

### TROUBLE OVER MATTER OF SPRING IN NORTH END

Neighbors at Odds and the Dispute Gets Into Police Court

A quarrel among North End families was aired in the police court this morning. It appears that there is a spring in the Shamrock grounds used by people living near by and in order to reach it conveniently it is necessary for the families to cross the property of a man named London. London resented this apparently because it was done with bad grace, and forbade any further trespassing on his property. His orders were not respected by his neighbors and the other night when some further provocation was offered London undertook to tell his neighbors generally and a man named Quigley, in particular, "who" he said "played the tin flute in the Salvation Army," just what he thought of them.

His language was forcible and he is apparently blessed with stout lungs for his tirade was said to have lasted between the hours of ten and twelve. His neighbors took unkindly to his complaints and tried to dissuade him but not being able to do so called the police. The police came, London stopped, the police went and he started in again, so his neighbors already not very kindly disposed towards him had him brought before the magistrate.

His Honor told the people concerned that he would fix the question of the trespassing, then if they would show a little more of a Christian spirit he thought all should be well. London was represented by E. E. Ritchie. He was dismissed until Monday when the matter will be finally settled.

George Anthony gave evidence this morning in the police court in the case of Paul Wedge who was arrested on Tuesday on charge of stealing \$80 from Mr. Anthony's farm where he was employed. Mr. Anthony said that Wedge had been a fine man to have working, but that he had been an early riser and for four years had served him faithfully. The only fault he had to find with him was that he always went to the city when he was paid and spent his money in liquor.

He then told of Wedge's disappearance on Tuesday night and of missing money from two places, soon afterwards. He had then telephoned the police and within half an hour received word that Policeman McNamee had captured the man.

The hearing was adjourned.
