LARGE VOTE IN YORK COUNTY BUT WEATHER UNFAVORABLE

(Special to Times)
Fredericton, N. B., Mar. 30.—Polling in the by-election is taking place here today under adverse weather conditions. Both parties are well organized and are getting out a large vote. The Tory workers are well supplied with the assets of war and are making a determined effort to wipe out the Liberal majority in the city. The undercurrent seems to be with the opposition candidate and many of his supporters are confident that he will win.

Last night N. W. Brown and O. S. Crockett, M. P., addressed a joint meeting in Harvey and although it is a Tory stronghold Brown received an excellent hearing. He called attention to the significant fact that while Crockett was elected by a large majority his own city, which knew him best, pronounced against him on every occasion.
