OFFICE OF THE M. W. GRAND MASTER R. W. }
GRAND LODGE OF CANADA WEST,
London, March 20th, 1867. }

To the Officers and Members of.....Lodge, No.....

BROTHERS—The accompanying report of the Legislative Committee, also the circular issued by the Most Worthy Grand Sire, so fully depicts the deplorable condition of our Sister Lodges in the Southern jurisdictions of the United States that I am sure it will require you but to read the one to cordially respond to the other.

With the circumstances occasioning this call upon your charity you are all more or less familiar. We therefore trust, after the most earnest appeal of the Grand Sire, that your lodge, as also each individual member of the same, will contribute to assist our sister lodges in the South in their endeavors to re establish themselves.

Fraternally yours,

RICHARD WIGMORE,
Grand Master.

Attest : J. B. KING, G. S.

All contributions to be sent to the Grand Secretary.

P. S.—Owing to the alleged mismanagement of funds subscribed abroad and elsewhere in aid of the sufferers by the conflagration at Quebec, the liberal donations received by the R. W. Grand Secretary in aid of the Quebec Relief Fund are still in his hands, and will await the action of the Grand Lodge at its next sitting.
