HATHAM, N. B., APRIL 22, 1897. Our Ottawa Letter.

OTTAWA, April 17th. The estimates submitted to partiament, party, more especially in Ontario, since article. ast week, were the first of the new ad- the death of Sir John Macdonald. ministration. Last year those of the outgoing government, as prepared by antipathy to Hon. George E. Fos'er, exthem for that year, were accepted by the new government as a matter of necessity for Hon. A. G. Blair, the present minisoffice, they were for that reason precluded from investigating and revising them. Sir John Macdonald wanted to appoint But as time went on, the money voted Mr. Blair to the chief justiceship of New

House, are acknowledged by the more results to the Conservative party in New fair-minded of the opposition as appearing very favorable when scrutinized from a general standpoint. They admit that it is everywhere apparent that the most the New Brunswick government, and it SPECIAL BARGAINS making them up. The frequent complaint has been raised

by the conservative press that superannuations and dismissals were a subterfuge,
made simply to afford vacancies in the
civil service, of both inside and outside branches, for government supporters. If NEW SHERIFF :- Mr. Jas. O. Wish that accusation were true then it would having tendered his resignation of the be difficult indeed for Liberals to deny position of High Sheriff of Northumberthe oft-repeated statement that the spoils land County, Lt. Colonel R. R. Call was system was being introduced into Cana- appointed to the office at the meeting of dian affai s by the present Government. But all the facts which are brought out ton on Thursday last. The new sheriff and those which remain to be produced is being congratulated on the appointment, plainly testify, that the offices vacated and we are quite sure that the County is have been rendered vacant in the interest also to be congratulated on so well qualiof economy. There have been 42 super- tied a man having been selected for the ons, and 14 retiring gratuities nade already, with more to follow. The Finance Minister informed the House that this course had effected a large saving to the country. And why? Because, although in a few isolated cases vacancies made by officials, who were superannum prity of the offices so vacated were abolished. In the determination to be has been a select man and held other offices the duties of which he has disconnense, without prejudicing the efficiency of the service, the government have had to turn a deaf ear to the clamors

defeat the endeavor of the government to repeal the Franchise Act. There is an overwhelming conservative element in the Senate. The figures are said to be 65 Conservatives to 16 Liberals. It is the aim of the government to establish a franchise that will be fair and just to all, and one would naturally suppose that the party most interested in the passage of such a law, ought to be that which has lost ontion of power. It seems evident that obstructing repeal or blocking the passage of a proper franchise bill in the Senate would be a wild course to pursue, yet, if followed to that end, the opposition party grateful to women who wear high hats."

The successes of our graduates were not attained by the scratching process but by honest, thorough work (deep ploughing and careful cultivation.)

Several of our students will leave us early in April. We can accommodate a few more students mow and several more in a week or two.

Business and Shorthand Calendars mailed to any address.
