### FLOUR GONE UP.

An Advance of Twenty Cents Made Yesterday.

Owing to the recent sharp advances in the price of wheat the Ogilvie Flour Milling Co. has announced an increase in the price of flour of twenty cents per barrel. This advance has not yet been made general. It was based on the strong wheat market of Tuesday and went into effect yesterday morning. But as Wednesday's wheat market was a little easier than on the previous day other millers did not fall in with the advance. They will be compelled to do so, however, if the market remains as strong as it has been lately.

It is not expected that this most recent advance will affect the price of bread, which has been steady for some time. But if flour goes up much higher some of the bakers say they will have to add a cent to the price per loaf. So far as is known there is no organization among the bakers, and it is not likely that some few will advance their prices unless all others are prepared to do the same.

### HOME FROM CAMP.

S. B. Wilson, leader of the Y. M. C. A. camp at St. Martins, arrived home at noon yesterday, accompanied by the St. John boys and those who had to pass through this city en route to their homes. Mr. Wilson feels justly proud of the success of the camp, for although over seventy boys were under canvas for two weeks, no one was sick and there was no loss of bathing and boating, but on account of the fog were not able to do much fishing. The boys are loud in their praise of the hospitality of the citizens of St. Martins and declare that no better place could be found for a Y. M. C. A. camp.

It is not known just where the next camp will be held, but there is some talk of having it at Robert's Point on the St. John River.

News has been called "the manna of a day," and this applies with particular force to the news contained in the little wast ads.

### BASE BALL LEAGUE.

After the ball game last evening an executive meeting was held to discuss the new schedule. The Portland representatives declined to play any more games on the Victoria grounds, and wanted their own and several other games fixed for the Shamrock grounds, that the north end people might have an opportunity to see the games. The other teams preferred to play on the Victoria grounds, because they were in better shape and drew a larger crowd. The Portlands would not guarantee to have the grounds put into better condition, so those teams that have no games with the Portlands will play altogether on the Victoria field. As a temporary arrangement the game between the St. Josephs and Portlands, scheduled to take place this evening on the Victoria grounds, will come off on the Shamrock, and the St. Josephs boys will play the Portlands on Saturday afternoon on the Victoria grounds.

### CALLED TO WATERLOO STREET.

Rev. A. J. Prosser, pastor of the Hartland, Carleton Co. Free Baptist church, has received and accepted a call from Waterloo street Free Baptist church, this city. Mr. Prosser is one of the best speakers in the denomination. He studied at Bates College, and has held important pastorates in Nova Scotia, and at Campbellton and Hartland. He went from Campbellton to the latter place. He is also an enthusiastic temperance worker, and is secretary of the Grand Lodge, Sons of Temperance. His first sermon will be preached here on the first Sunday in October.

Rev. Mr. Phillips, the present pastor of Waterloo street church, will preach his farewell sermon on the last Sunday of September. He has not yet decided where he will go on leaving St. John, but has received several calls, including calls from Centerville, Carleton Co., and the Union church at Macadam. If he is not urged too strongly Mr. Phillips will not take any church for the next year, but will enjoy a well earned rest.

Ten people will see a placard of "To Let" on your house to about every ten hundred who will read your "To Let" ad in these columns. Which way is the wisest—the "Placard way" or the "Want ad way?"

### BASEBALL.

At the end of five innings the Portlands and Clippers each had one run to their credit in their game last evening on the Victoria grounds and umpire McAllister stopped play on account of darkness. Case was in the box for the Portlands and pitched a good game. He had three strike outs and two firsts on balls. Five hits were made off him. His team gave him glib edged support. No errors were made by either side. Nesbitt struck out three men and had but five hits made off him. It was a pitcher's battle all through, and Nesbitt received as good support as his opponent.

### National League.

BOSTON, Aug. 3.—Two games were played here today, Boston winning the first, 7 to 6 in ten innings, and St. Louis taking the second with a score of 6 to 3. The home team was out-batted in the earlier contest, but its misplays were much less expensive than those of the visitors. Zerkow's retirement due to a badly broken finger, Brant's home run when two men were on bases because of errors practically decided the game in the eighth inning. It was close and well played up to that point, catches by Galar and Haymer being especially noteworthy. The first game:

INDIANTOWN HILL DANGEROUS.—A horse driven at a slowly trotting pace down Indiantown Hill yesterday morning, stumbled, and the driver and a woman who was seated beside him, were almost jolted into the street. If they had been thrown out a serious accident would have happened. The horse's hoof caught in one of the hillocks of pavement, which are on the hill from top to bottom.
