PREPARING FOR THE
CONTEST NEXT TUESDAY

Aldermen Who Are Unopposed Looking
Happy—Big Vote Expected.

After the anxiety and excitement preceding nomination day there was a distinct calm noticeable around City Hall today.

Ald. McGoldrick, who goes in by acclamation, wears a happy smile, and was kept busy receiving congratulations on the assurance of a twenty-sixth year in Common Council. Ald. Christie and Ald. Yanwart are also being congratulated on retaining their seats without a contest.

General satisfaction is expressed at the return of Mayor Bullock for a second term. His business-like methods of administration have made him very popular with those who have business at City Hall.

The aldermen who have a fight ahead of them are getting ready for the fray and their opponents are equally active. Some of the candidates have been protesting wildly about the way they are held up by the City Hall employees who furnish lists of electors for campaign purposes—for consideration. It is the size of the consideration that causes some of them pain.

The man on the street is already beginning to pick the winners of the contest next Tuesday and several bets on chances of the various candidates are recorded.

With the large number of candidates in the field and the unusual amount of interest being taken in the election, it is expected that a big vote will be polled next week. If there is not it will not be for lack of effort on the part of the candidates and their friends.

Was Troubled With
Weak Back For Years.

Could Not Perform Household Duties. Doctors Attended Without Avail.

Mrs. Aroh. Schnare, Black Point, N.B., writes: "For years I was troubled with weak back. Oftentimes I was laid in bed for days, being scarcely able to turn myself, and I have also been a great sufferer while trying to perform my household duties. I had doctors attending me without avail and tried liniments and plasters, but nothing seemed to do me any good. I was about to give up in despair when my husband induced me to try Doan's Kidney Pills, and after using two boxes I am now well and able to do my work. I am positive Doan's Kidney Pills are all that you claim for them, and I would advise all kidney sufferers to give them a fair trial."

Doan's Kidney Pills are a purely vegetable medicine, realizing quick, permanent relief, without any after ill effects. A medicine that will absolutely cure Backache and all forms of Kidney and Bladder Disease.

A medicine that strengthens the kidneys so that they are enabled to extract the poisonous uric acid from the blood and prevent the chief cause of Rheumatism.

DISTRIBUTED AFTER
LONG LITIGATION

BOSTON, Mass., April 13.—The \$111,722 balance of a payment of \$400,000 which J. P. Morgan paid for the control of the Boston Elevated Company more than ten years ago, and over which there has been almost constant litigation in the courts since, is to be finally distributed, according to the finding of Judge Bailey in the supreme court today.

Judge Bailey confirmed the report of Referee B. N. Johnson as to the distribution.

Much of the delay and litigation was caused by S. K. Hamilton, counsel for the estate of George H. Towle, one of the incorporators, who asked to have the report of the referee recommitted. Towle received \$100,000 and the remainder of the incorporators believed the estate should receive nothing further. During the litigation the last payment of \$200,000 paid by Morgan has been held by F. E. Snow as stakeholder.

CAPT. HAIN'S DEFENCE
WILL BE INSANITY

NEW YORK, April 13.—Conferences held today in the offices of Dr. F. McIntrye, counsel for Captain Peter C. Hains, Jr., in which the latter's parents, General Hains and Mrs. Hains, their son, Major John R. Hains, and several witnesses participated, resulted in a decision to rely solely on insanity as a defense in the trial of Captain Hains for the murder of William E. Annis.

The trial will begin Monday in Flushing, L. I., where Thornton Jenkins Hains was recently acquitted of the murder of a woman, and it is expected, will last about three weeks. The defense will call between forty and forty-five witnesses. At present there is considerable discussion as to the defense to be made, with medical experts to combat the testimony of alienists, who will be called by District Attorney Pettit. It is the tentative plan of the defense to leave to the judgment of the jury, the mental condition of Captain Hains immediately preceding the shooting of Annis. The killing in this aspect will be admitted, it is stated, but Captain Hains' life is described as a sufferer nearly all his life from emotional insanity.

FRANKIE CARPENTER
MAKES ANOTHER HIT

The Garrison Girl was presented in a thoroughly satisfactory manner at the Opera House last night by Frankie Carpenter's excellent company. There was a good audience and the play pleased the efforts of those on the stage.

Mr. Carpenter, in the title role, was of course the favorite, and showed to splendid advantage in a role which suited her perfectly. Jennie Gray also was well suited with the role of the stage driver.

The play was bright and snappy and while giving the western atmosphere in every detail was free from the roughness which frequently accompanies such plays.

The specialties were unusually good and both Frankie Carpenter and little Billy Rhodes had to respond to numerous recalls.

At the matinee yesterday afternoon "Lisbeth from Hickory Hollow" was presented to a full house.

The program today includes a repetition of "The Garrison Girl" this afternoon, and "Paw Ticker" this evening.

WANTS EVERYONE TO KNOW

Wintergreen Compound Stopped 'Ich at once—Disease Soon Disappeared

After taking treatment from two doctors, and trying many different remedies from drug stores, that only seemed to make the disease more intolerable, Mrs. H. E. Johnston, of Hepler, Ont., found a cure. It is simply a preparation of oil of wintergreen, compounded with such well-known healing and antiseptic substances as thymol and glycerine, but it certainly cured the disease.

Here is what Mrs. Johnston says of it:

"Your preparation has cured me of Ich, and has done so in a most rapid and trying different ointments from drug stores, that only made it worse. I feel so strong and healthy now, that I can bear it all so they might be helped."

"Why go on suffering from torturing skin diseases, when there is a cure that is simple, safe and sure? For free sample bottle write to The S. D. Laboratories, Department S. E., 23 Jordan St., Toronto. For sale by all druggists."

LOCAL NEWS.

Spring bargains in millinery—78 Germain St., opposite Trinity Church.

The Chinese residents of the city express themselves as very much pleased with Judge Ritchie's decision and with his statement that they will be treated the same way as Christian people. They are very strong in their statement that they have been subjected to annoyance by the policemen who seem to consider all their social gatherings as illegal. They say that they do not carry on any gambling nor drinking at the meetings which they have, but simply gather together to talk over affairs at home and to read the few Chinese papers which are subscribed for by some of the residents of the city.

Mr. Frank J. Mahon, acting superintendent of the eastern division of the C. P. R. telegraph lines, since the illness of the late Mr. P. W. Snider, has received word of his permanent appointment to the position. He is an official of wide experience, for a long time serving as operator in the Montreal office. In 1888 he was appointed night chief there. From December, 1888, to February, 1893, Mr. Mahon was chief operator in the St. John office. From February, 1893, to October, 1908, he was in the Quebec office. From October, 1908, to August, 1908, Mr. Mahon was chief operator in the St. John office. He was then appointed inspector of the eastern division. He acted in this capacity until he came here to relieve Mr. Snider.

A pretty home wedding was celebrated at the residence of Mr. William Callan last evening at eight o'clock, when his daughter, Miss Jessie Callan, became the bride of Mr. Harry McKean, of the C. P. R.'s King street office. Rev. Gordon Dickie was the officiating clergyman. The bride was given away by her father. She wore a very becoming costume of light blue silk. Miss Mattie Lee, her bridesmaid, was prettily gown in mauve. Mr. Roy Burton supported the groom. On the conclusion of the ceremony the guests assembled at a dainty wedding supper. Pleading testimony to the popularity of the happy couple was furnished by the array of bridal remembrances which were showered upon them. From the groom's fellow employees of the I. C. R. came a handsome reclining chair of a very substantial pattern. Mr. and Mrs. McKean will reside on Paradise Row.

To the Electors of the City
of Saint John:

LADIES AND GENTLEMEN:

At the solicitation of a large number of the taxpayers I am a candidate for alderman-at-large. As my views on some important subjects are generally known, I will not repeat them, and as I will not be able to see a large number of the voters before the election I would respectfully ask your support, and as I intend in this election to practice what I preach, namely, economy, I do not intend to employ a single man to represent me at any polling booth in the city, believing that the independent voters of St. John generally decide who they will vote for before going to the polls. At least I am willing to put that matter to the test. Hoping that my friends and acquaintances and the public generally will give me their assistance and support, for which in return I pledge myself to use the best that is in me to advance the interests of my native city.

Your obedient servant,
JOHN SIMME.

To the Electors of the City
of Saint John:

Ladies and Gentlemen:

At the request of a large number of taxpayers I am a candidate for alderman to represent Victoria Ward. I and my firm are large taxpayers and are interested in the city's affairs being economically and efficiently administered, and if elected I will serve the interests of the city to the best of my ability.

Faithfully Yours,
R. T. HAYES.

Yours faithfully,
GEO. A. KNOBELLE.

To the Electors of the City
