To Keep Skin in Fine Condition in Summer

(From the Family Physician.)

It would be much better for the skin if little cream, powder or rouge were used during the hottest term. Mixed with perspiration, dust and grime, these things are anything but beautifying. Ordinary mercurized wash will do more for the complexion, and without giving any oil, shiny, streaked, spotted or pasty appearance. It is the ideal application for the season, as it not only keeps the pores clean, but daily removes particles of sear skin which have been soiled by dirt or weather. By constantly keeping the complexion clear, white and satiny, it does more toward perpetuating a youthful countenance than any of the arts or artifices commonly employed. Once of mercurized wash, obtainable at any drug store, will completely renovate the worst complexion. It is applied at night like cold cream and washed off in the morning.

To keep the skin from sagging or wrinkling or to overcome such condition, there's nothing better than a face bath made by dissolving 1 ounce powdered azolette in 1-2 pint which

SUFFERING WITH FEVER

Mrs. Henry Kemp.

Until "Fruit-A-Dives" Completely Cured Her.

November 27th, 1911.

"I was a martyr to Hay Fever for probably fifteen years and I suffered terribly at times. I consulted many physicians and took their treatment and I tried ever remedy I heard of as good for Hay Fever. But nothing did me any good. Then I tried 'Fruit-A-Dives' and this remedy cured me completely. I am now well, and I wish to say to every sufferer from Hay Fever—'Try Fruit-A-Dives.' This fruit medicine cured me when every other treatment failed and I believe it is a perfect cure for this dreadful disease."

MRS. HENRY KEMP.

denly shortly after 12 o'clock yesterday. He was on his way home from work and was nearing his home on Magazine street, when he was struck on the head, fell, and died.

Life's failure. Death was instantaneous, and life was extinct before either Mrs. C. M. Kelly or J. A. McCarthy arrived. A sad incident in connection with the case was that the deceased's wife and only child were at Hamilton spending a few days and were to return home Saturday morning.

Mr. Flynn was a carpenter by trade and was respected by all who knew him. He is survived by his wife and one daughter; also five brothers, John, William, Michael, Thomas, and Frank Flynn, all of this city, and three sisters, the Misses Mary, Agnes, and Teresa, the two former of which reside in the latter of Boston, Mass. Deep sympathy is felt for the wife of the deceased, who has not been in the best of health for some time. Mr. Flynn's death will be heard with regret by a wide circle of friends and acquaintances.
