Had Stop Over.

A man who was bound from Yarmouth to Toronto and who arrived in the city on the steamer yesterday afternoon procured a bottle of liquor and unfortunately for him he did not keep the seal on the bottle until he got on the train. He imbibed too freely, with the result that the police found him lying drunk on a Charlotte street doorstep about eleven o'clock last night.

Cow Moose Killed.

Game Warden Edward Garnett has laid a complaint against Frank Stewart and George Garnett for killing a cow moose. The two hunters are said to have not only killed a bull moose but the cow, and sold the skins. There has been a fair supply of fish during the week, all seasonable kinds being plentiful, except halibut, quoted at 18c. lb. Mackerel are now in fine condition and sell at from 15c. to 35c. each; smelt, 15c. lb.; cod and haddock 6c. lb. Oysters are 75c. qt.; clams, 20c. Salt and dried fish remain at last week's prices and are on hand in sufficient quantities. Retailers say that trade has been about normal for the time of year.

Cloths for Winter Coats.

F. A. Dykeman & Co. anticipated the big rise in price and scarcity of coat cloths and made their contracts at a time when prices were on-third lower than they are now. Consequently they are selling cloths today at about what the manufacturer is producing them for. The assortment is very comprehensive and takes in lines ranging from \$1.00 a yard to \$5.50. They are showing a big range of Polo cloth in plain and check at \$1.35 a yard, 56 inches wide. Some very handsome tweed mixtures in pure wool heavy weight can be had at from \$1.89 to \$2.10 a yard.

WILL BE SENT BACK HOME

Two young men who beat their way here off to New York.

On October 8th two young New York Hebrews giving their names as Morris Fickelstein and Louis Trakey, arrived at police headquarters and on their request were given protection for the night. They were anxious to get away the following morning but were detained by the police and a charge was laid against them for entering Canada without having passed the immigration officials. It was learned that the young men had entered the city by stalling rides on the C. P. R. train. They were found guilty and sent to jail. The local Hebrew society communicated with the prisoners' relatives in New York, and having supplied the necessary funds the young men will be taken from the jail this morning and sent to New York.

The C. P. R. officials are keeping a sharp watch for tramps stealing rides on the trains and with the assistance of the local police will place every tramp they find "riding the bumpers" under arrest and they will be prosecuted.

TICKETS FOR DRAWING IN POPULAR DEMAND.

The sale of tickets for the \$5,000 patriotic drawing is going with an encouraging swing. There are many features about the drawing which appeal to all classes. The prize list is lengthy, varied and substantial; the price of each ticket is most reasonable, fifty cents; the object is deserving; the patriotic fund, and it is announced definitely that the drawing will be held early next month. All these contribute to the popularity of the event, and cause a ready demand for the tickets which are on sale not only in the leading drug and other stores in the city but in other towns in the province as well.

RECRUITING MEETINGS

SEQUEL TO LAST NIGHT'S MEETING TONIGHT.

As a sequel to last night's splendid meeting in Queen's Rink there will be another spirited gathering in the same place tonight. The fires seem to be alight on the hill-tops, as in the warlike times of old Scotland, and Sergeant Norman Knight, who is to speak to this other gathering of men, is sure the men folk want to hear more.

The St. Mary's Band, with its usual loyalty, is going to be out in force to escort the men—anybody and everybody—to the rink.

The speaking will commence at 8 o'clock. Rev. R. P. McKim, rector of St. Luke's Church, North End, will also address the gathering.

The North End clergyman, himself a soldier at one time, speaks very spiritedly upon the present strife and his remarks in various quarters have been deeply pondered over.

RECEPTION FOR RECRUITS SATURDAY NIGHT.

Just to show the men who have enlisted in the new 104th, that their manliness is appreciated, the people of St. John as represented in the Recruiting Committee, will tender them a reception in Queen's Rink Saturday evening. There will be plenty of entertainment, good amuses and a little snack of something good to eat. There are scores of fellows who simply cannot take up arms, ineligible through physical defects or age, who want to show the newly-clad khaki lads some good fellowship. These men and the eligible friends of the recruits will meet tomorrow night and have a good time together.

THE SUNDAY AFTERNOON MASS MEETING.

This big meeting is going to be held in the Opera House, which has been generously donated for the purpose. The speakers will be men of note. Musical features will be interspersed. Particulars in Saturday's papers.

MONDAY NIGHT'S FAMOUS SPEAKER.

Professor Falconer, formerly of Dalhousie College, Halifax, and now of Toronto University, one of Canada's eminent educationalists, writers, and lecturers, will address a meeting in the Knights of Columbus Hall, Coburg street. Whilst the noted Canadian will speak in the interests of recruiting his remarks are sure to deal with the great issues of the present strife and of Canada's share in it. There is certain to be a large and intelligent audience.

WONDERFUL WEEK-END BARGAINS IN TRIMMED WINTER MILLINERY AT MARR'S ANNIVERSARY SALE

Smartest New York Styles in Trimmed Hats at Marvellously Low Prices. Extra Specials Also in Modish Untrimmed Headwear.

A millinery bargain opportunity said to be second to nothing of its kind ever offered here is presented for today's and tomorrow's shoppers at the nineteenth anniversary sale of the Marr Millinery Company, Ltd., where a particularly choice line of ultra-modish trimmed hats has been placed on sale at less than half their regular prices.

The styles are taken from the latest and most favored ideas of leading New York fashion authorities, the colorings varying from the more sober hues to brilliant, dashing effects, each charming creation being characterized by a snap and smartness quite its own. Hats of this class would be rarely good values at from \$6.50 to \$7.00, but have been marked, for the week-end, at the marvellously low figure of \$3.00 each, thus enabling thrifty purchasers to secure two correctly styled winter hats for less than the ordinary price of one.

A very select assortment of untrimmed hats of silk velvet, in the most popular American models, priced at \$1.00 and \$2.00 each, are worth, easily double the money.

To avoid disappointment in securing the widest range, in design and coloring, intending purchasers should pay an early visit to Marr's.

SIEGE BATTERY FIRST MARCH

Boys made good appearance in streets last night—All eager for work.

Many of the members of the siege battery have received their uniforms and last evening was their first appearance in public. About one hundred of them came to the city and joined in the parades to the Queens Rink. Practically all those in the parade were St. John boys. All are enthusiastic about their work. They are comfortably situated in two houses on Partridge Island and the rough spots are being removed by infantry drill and marching. Not all have received their uniforms as yet but it is hoped to soon supply them with the necessary equipment. It may be thought by some who see these men with the white cords or lanyards around their shoulder that they are only home guards but it is planned to have a whistle report in the siege battery and these cords will then be useful.

All the artillery bugle band will accompany the battery when they leave for England and it is thought probable that within a month orders will come to this effect. Their chief training will be in England where the heavy guns are situated.

OLDER BOYS IN CONFERENCE

Y.M.C.A. boys will hold several important sessions—Rev. H. A. Cody a speaker.

The Older Boys' Conference begins this evening at 8 o'clock in the Lester street Baptist church. The chief speaker at this meeting will be Dr. Brown. The meetings will be continued on Saturday and Sunday, closing Sunday afternoon. The most important meeting will be held on Saturday afternoon in the Y. M. C. A. building, and on Saturday evening, there will be a banquet in the same building, at which an address will be given by Rev. H. A. Cody, touching on the work in hand.

There have not been quite so many applications for the conference as were expected, and there is still room for quite a few more boys.

Football Matches

The last game of the Interscholastic Football League will be played on the Rothery College gridiron this afternoon between the College fifteen and the St. John High School squad, champions of the league for 1914 and for the present year. The St. John team's lineup will be unchanged. The second team from the High School will also play the collegians second team. This game should be very interesting as the teams are evenly matched. The line-up of the local team will be: Fullback, C. Seely; halves, J. Dunlop (captain), Powers, McGovern and Wilson; quarters, McIntosh, McLellan and Russell; forwards, Barnes, Ritchie, Huston, Phares, K. Seely, Regan and Taylor.

The two young men, Matheson and Connell, who recently pleaded guilty to stealing a horse, wagon and harness, and who were arrested in St. George, have been sentenced to a term of two years each in the Dorchester penitentiary.
