HAMPTON

Hampton, Nov. 20.—Mr. and Mrs. Freeman and little daughter who have been guests to the Riverview Hotel for several weeks left on Thursday for New York en route to their homes in Trinidad.

Mrs. John E. Irvine and Miss Kenneth Schofield have returned from a pleasant visit in Montreal.

A wedding of much interest to the Hampton community took place on Tuesday evening at 8.45 o'clock when Miss Della Victoria Appleby, daughter of Mr. and Mrs. Robert N. Appleby, became the bride of Mr. Frank Compton, a popular young druggist of this place. The church had been beautifully decorated for the occasion by friends of the bride with ferns, palms and cut flowers and the ceremony was performed by Rev. A. H. Crowfoot. As the bride entered the church the choir, under the direction of Mrs. Ralph March, sang "Lead Us, Heavenly Father, Lead Us," and during the service, "Oh Perfect Love."

The bride looked charming in a most becoming suit of Copenhagen blue cloth with satin hat of the same shade and trimmed with a band of ostrich feathers, wore a feather ruff and carried a white prayer book with shower bouquet of lilies of the valley. She was attended by her sister, Miss Maud Appleby, who wore a becoming suit of seal brown velvet with large black hat. The groom was supported by Mr. J. H. Lynch of St. John and Mr. Curtis Hicks and Mr. Frank Bartlett acted as ushers. After the ceremony the bride party returned to the home of the bride where luncheon was served, after which Mr. and Mrs. Compton left for St. John en route to Boonville and other American cities. The groom's gift to the bride was a handsome cameo pendant, and to the best man and ushers gold stick pins, while the bridesmaid gifts consisted of a large number of gifts received was a valuable chair from the employees of the G. & G. Flewelling Company's store, where until lately the bride has been employed. On their return from their wedding trip Mr. and Mrs. Compton will reside on Main street. The bride's travelling dress was of navy blue with becoming hat to match.

It was with a feeling of pride that the many friends of Dr. Catherine Travis read of her heroic act in refusing to leave Uskeep where she is in charge of a large hospital there, preferring to be captured by the Bulgarians rather than desert the wounded Serbian soldiers entrusted to her care. This is one of many supreme sacrifices in this world-war and Dr. Travis' many admirers here are prouder than ever to claim her friendship.

JOHN ARMSTRONG ACCIDENTALLY SHOT

Inquest held by Coroner Botsford yesterday morning.

John Armstrong, aged about 25 years, was shot and instantly killed on Thursday afternoon at Forest Glen, about ten miles from Petitcodiac. Mr. Armstrong was employed in S. H. White's mill at Forest Glen and went out to shoot deer.

Coroner Botsford, of Moncton, was notified and he held an inquest yesterday morning, when a verdict of accidental death from a bullet fired from a rifle in the hands of Arthur Harrison, was rendered. The evidence showed that Harrison and a friend, Arthur Douthwaite, were hunting deer in the woods. They saw a deer and Mr. Harrison fired at it, but missed. The bullet continuing its course struck Mr. Armstrong, who was walking in a field some distance away, killing him instantly. Mr. Armstrong was not seen by the hunters who were greatly shocked to learn that the bullet which missed the deer had struck him in the heart.

The jury found that Mr. Armstrong's death was caused by a bullet from a rifle in the hands of Mr. Arthur Harrison and recommended that Mr. Harrison be prohibited from carrying a rifle during the next two years, and no license to hunt or shoot be granted him at that period.

A SUFFERER FROM KIDNEY TROUBLE FOR TWO YEARS.

When the kidneys get ill the back gives out. But the back is not to blame. The ache comes from the kidneys, which lie under the small of the back.

Therefore, dull pain in the back, or sharp, quick twinges, are warnings of sick kidneys—warnings of kidney trouble.

Plasters and liniments will not cure the bad back, for they cannot reach the kidneys which cause it.

Doan's Kidney Pills reach the kidneys themselves. They are a special kidney and bladder medicine. They heal the diseased surface of the kidneys and bladder, and help them to act freely and naturally.

Miss Mary A. Northrop, Cole's Island, N.B., writes: "I have been a sufferer from kidney trouble for two years. I tried quite a number of remedies, but they did me no good. My mother got me a box of Doan's Kidney Pills, and they did me so much good that I got the second one, and when I had taken that I was completely cured."

Doan's Kidney Pills are the original kidney pills. See that our trade mark, "The Maple Leaf," is on every box. Price, 50c per box, 3 boxes for \$1.25; at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's."
