Ayer's

Sarsaparilla

Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of **Scrofula**, and all scrofulous diseases, **Ulcers, Eruptions**, and eruptive disorders of the skin, **Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm**, and internal **Ulcerations of the Uterus, Stomach, and Liver**. It also cures other complaints, to which it would not seem especially adapted, such as **Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility**, and **Leucorrhœa**, when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

Another Sociable.

In response to the earnest solicitations of their many friends, the Calvin Church Committee will, this evening, hold another of their very pleasing sociables. The programme has been specially prepared for the occasion, and embraces readings and recitations by the most distinguished readers who have heretofore taken part in these entertainments, and vocal and instrumental music by the choir, kindly assisted by Mrs. Perley. A bumper house will, doubtless, greet the performers to-night.

The Douglas Road Robbery.

The examination in the case of Wm. Henry Haslitt, charged with robbing the house of Mr. J. Harrison, Douglas Road, in February last, was commenced this morning. Mrs. Shanks, the house-keeper, gave evidence as to the desk and its contents being stolen and her suspicions of the prisoner, who had been around the house before and had seen the position of the desk in the room. She also deposed to receiving information from Mrs. Worden which induced her to have the prisoner arrested.

Mary McIntyre was examined, but her evidence was only hearsay and amounted to nothing.

Mrs. Worden, the most important witness, was sick and unable to be present. The prisoner was remanded until the 30th inst.

The elder Haslitt, charged with receiving the goods, will have a separate examination.

Seaman's Wages.

Judge Watters having granted a summons in the case of Edward Dunlop vs. John Yeats the matter was heard and determined at Chambers this morning. The case has before been referred to, and briefly stated is one in which the plaintiff, a seaman, sought to recover from the owner of a vessel in which he served five years since, some $50 wages. The defence offered in evidence a power of attorney, purporting to be signed by the plaintiff, authorizing the payment of the money to parties in New York, where the vessel was at the time the plaintiff left her. The plaintiff claimed that the power of attorney was a forgery, and had not been signed by him or with his authority. The signature bore a strong resemblance to his, and the judge decided, after hearing the evidence, that the money could not be recovered from the defendant. Mr. E. T. C. Knowles appeared for the plaintiff and Mr. G. E. Fairweather for the defendant.

The above is the first case tried in St. John under the Act of 1874.

Rev. Mr. Todd, pastor of the Reformed Episcopal Church at Sussex, is about forming a new church at Hampton under the most encouraging circumstances. Service was held in the Baptist Church there last evening, at the conclusion of which the expression of opinion was decidedly in favor of forming a church, as the people are becoming rather disgusted with High Church doctrines, as expounded by the Rev. W. W. Walker, Jr.
