ANY WOMAN'S STRUGGLE FOR GOOD HEALTH QUICKLY REWARDED

A Simple Home Treatment Now Advocated that Gives Fine Results

When a woman's face grows haggard and pale, when she is tired all day and ready to cry when night comes, she ought to now something is wrong.

Putting off only makes matters worse. The best advice we can give is to get a woman to test out the following treatment.

At the close of every meal, with a glass of water, take two chocolate-coated Ferrozons Tablets. This is the best thing going for women that are tired out, run-down and in need of a strengthening, building-up medicine.

Ferrozons's action aids the three principal functions of the body—digestion, assimilation, elimination. It strengthens digestion it forms an abundance of rich, red blood—this is good color.

Ferrozons's perfect assimilation, Ferrozons supplies nutrition—this gives strength, vim, stability.

Elimination is assured because Ferrozons quickens the action of the liver, kidneys and bowels—this guarantees the maintenance of vigorous health.

Ferrozons puts you on the right track—the one that leads to health, vigor, blood, vim, endurance—not a person who is weak, nervous or sickly—not a person in ill-health who can't receive immediate help from medicine.

As a tonic and restorative, as a health-bringer and body-builder, Ferrozons is unrivalled. It cures because it feeds and nourishes, because it contains the elements that build up and strengthen. Try it yourself—get everywhere in 50 cent boxes 6 boxes \$2.50, or by mail from The Ferrozons Co., Kingston Ont.

The Plattville Curling Club is preparing to defend the two trophies now in possession of the club—the John Wright and the Glenn. The club next in the line for these trophies are Toronto, London, Thistles, the club looks good year, with the club in charge—President, Vice President, Secretary-Treasurer, R.

Owing to the late cancellation of the Canard Mail at Halifax. The Independent St. Thomas will, may next January, be raising 17 teen cents a London Board recommended an sixteen school building
