 Manager.

You Can Buy an Otis-Fensom Freight Elevator for as little as

\$70

Some people seem to think that any kind of an Otis-Fensom freight elevator is a costly affair, running into hundreds of dollars.

This isn't so, by any means.

Very likely the best freight equipment for your purpose would cost very little. Yet the saving it will effect will be proportionately as great as the most expensive equipment would afford you.

We are looking for business men who have warehouses, stores, factories, etc., and who do not know the vital economy of a freight elevator.

We want to send such men a copy of our book---

"Freight Elevators and Their Uses"

Send me your book

Send for your copy to-day. It explains the value of freight elevators in general, and the peculiarly successful features of Otis-Fensom freight elevators in particular.
