

THE IMPERIALISTS. IT'S GOOD TO KNOW THEY'RE IN TOWN.

From Winters College to the Humanities building -- and practically everywhere in between -- The Imperialists are there when you need them. Their assignment: to mold you into a compliant branch plant intellectual -- capable of rationalizing Canada's political, social and economical system, while having some of the skills needed to keep the shit machine running. They have what it takes: behavioural sciences, ivory towers, "value-free" scholarship, meaningless lectures, politically castrated courses on "social problems", exams and the BA and BSc. The Imperialists have the know-how (and the cops) to make branch plant capitalism enslave us all -- and make sure we will never, ever rebel. No matter where you are, The Imperialists are never far away. Agents have control of every academic department. All set to really mess up your head. With branch plant scholarship from American Empire.
