Pictou N.S.

March 27th 1883

The Hon.

Supt. General of Indian Affs
Ottawa

Sir: - The Chief and the Captains
consider that there is a scarcity of
fuel, and poles for fencing
their Reserve at Pictou, and for the
season they asked me to communicate
with the Department and ascertain
it would be willing to grant them
a sum of \$3000 to purchase a piece
of land containing about thirty acres
this lot, owned by Mr Smith of Pictou
