Amalgamated Civil Servants

OFFICE OF
SECRETARY - TREASURER
VANCOUVER LOCAL COUNCIL
P. O. Box 322
VANCOUVER, B. C.

August 30th/2692

Rt. Hon. Arthur Meighen,
Prime Minister,
Portage La Prairie,

Honorable Sir:

At a mass meeting of the Amalgamated Civil Servants held yesterday in Vancouver, the enclosed resolutions were passed and I am instructed by the meeting to forward same for your consideration.

Among the Candidates present at the meeting were your colleagues Mr Ladner and Brig.Gen. Clark. They expressed their sincere desire to support us in the House and we trust that you will be equally as eager to end, what appears to us, the unnecessary delay in solving the problems agitating the Civil Servants of Canada.

I am sending this to Portage in order to save time, and I trust that you will be able to reply at an early date.

I have the honor to be Sir,

Respectfully yours,

Secretary Local Council.
