Sir,

With reference to your letter of 19th Instant and to the lists of amounts deducted from the Interest moneys of the Six Nation Indians towards payment of their indebtedness to merchants, I have to observe (1) that the lists are not receipted as was required by letter to you of 10th August 1884. (2) That you have apparently paid out to merchants the sum of \$5,977⁶⁴ in excess of the \$6,675³⁶ which you were authorized to pay over to Messrs
