Sir,

I have to acknowledge the receipt of your letter of the 19th instant, enclosing your annual report and tabular statement, for the year ended 30th June last; and in reply, I have to inform you that your report should be made out in duplicate, as called for by the circular sent you in April last.

You will be good enough to explain what you mean by the word *possession*, which occurs twice in the closing part of your report.

I am,

Sir,

George Long Esq.
Indian Agent,
St. Regis
S. P. Q.

Your obedient Servant
