Thomson Stationery Co., Ltd.

GASKELL & ODLUM, PROPRIETORS

WHILE Western Canada is the home of many up to date Printing and Stationery Companies, it will be interesting to the public in general to know that in the last great west there has been established a business so comprehensive in its scope that business houses of whatsoever kind, and the public generally, can secure their entire supplies on the coast market.

The success of the THOMSON STATIONERY CO., LTD., has been built on the progressive policy of anticipating the wants of the growing West, and much money has been invested in this magnificent business that it might cater to the needs of every individual situated west of the Rockies.

THOMSON STATIONERY CO., LTD., building proper, is situated in the heart of the retail business section at 325 Hastings St., W. The building comprises five (5) flats and embraces the following departments—Books, Stationery, Loose Leaf, Office Furniture, Maps, Blue Prints, Engineers' and Surveyors' Instruments and Supplies, Fountain Pens, Leather Goods, etc., including also two (2) flats devoted to wholesale business, which in its extent, covers an area from the Great Divide to the Arctic Circle.

In addition to this, a three-story manufacturing plant testifies to the volume of Printing, Bookbinding and Electrotyping that this firm is turning out daily to the general public.

Visitors to the City of Vancouver will do well at all times to take their business to the largest firm in Western Canada, for the reason that their equipment for turning out the work, their well assorted stock, their close buyings on the home and foreign markets for which cash is always paid, thereby taking advantage of all discounts and making it possible for the consumer to reap the benefit which only a firm with the dimensions of the THOMSON STATIONERY CO., LTD., can enjoy. We have no doubt that a visit will insure your trade.
