

RESULTS — OF AN

INVESTMENT POLICY OF INSURANCE

IT THE

North American Life Assurance Co.

W. McCABE, Esq.,

ONTARIO COLLEGE OF PHYSICIANS AND SURGEONS.

Managing Director, North American Life Assurance Co., Toronto.

DEAR SIR,—Of the three options at my disposal in regard to my matured 15-Year Investment Policy for \$2,500, viz.:

(1) Cash, \$3,798.88. (2) Paid-up Life Insurance, \$2,295.00. (3) Life Annuity, \$259.50.

I have decided to take the first, and hand you my discharge in exchange for your cheque. In terminating the contract, which has given me reliable life insurance for 15 years for \$2,500, and in addition returns me all my payments, with compound interest added at a rate within a very small fraction of 5 per cent., I can only remark that my expectations have been more than realized, and that the whole transaction from beginning to end has been of the most satisfactory character.

I understand, that not only was the NORTH AMERICAN the pioneer Canadian Life Company to introduce Investment Insurance, but that it is the pioneer in being able to make such handsome returns under such form of Insurance.

Yours truly,

R. A. PYNE.
