WHEREVER the old wheelbarrow cleaning system is used you find a mussy stable.

It's too much to expect that a man will brush and sweep the passage ways every time he cleans the stable. He hasn't the time for one thing—and it's discouraging work for another.

But nowadays we think more about clean stables.

We know that dirty stables breed disease.

It's up to you, Mr. Farmer, to make your stable easy to clean—then it will always be clean.

You can learn something about how to do this in Dillon's Book on Clean Stables, which is sent free to Farmers. Dillon's make a Litter Carrier that lightens work about the stable. It's an equipment any man can put up, and is adaptable to stables large or small. The free book explains it fully.

Dillon's sell direct to the Farmer. There are no Agents and no Agents' profits. The price is the same to all, and lower than you would expect for such substantial and well-built equipment. DILLON'S BOOK ON CLEAN STABLES gives you an exact idea of what you can accomplish for a small outlay. Write for a free copy.
