**THE GOLDEN TEXT CHAIN**

JUST WHAT IS NEEDED TO WAKEN INTEREST  
IN LEARNING THE GOLDEN TEXT

One Link for Each Sunday  
On It Is Printed the Golden Text

**What It Is**—A chain of attractive colors made of thirteen Bristol board links, one for each Sunday of the Quarter (four chains a year). On each link is printed a Golden Text. The links are already gummed at one end and the children make the chain at home.

**How To Use It**—Give out the link of the Lesson taught that day at the close of the hour to emphasize its teaching and as a reward for reciting perfectly the the Golden Text. In this way the children not only learn the verses eagerly, but are given an incentive to come every Sunday to have the chain complete.

**What It Does**—"We have placed them on trial Second Quarter and find that we have just doubled our recitations of the Golden Text."—(Signed) ZETA ANDERSON, Lake Road, R.R. No. 3, St. Catharines, Ont.

Price, per chain, 4c. a Quarter, postpaid.
