

**FOR SALE.**

The entire Oakdale Herd of Registered Holstein Cattle. Although considerable sales have been made lately the herd now numbers 55 head, including bulls, imported cows, heifers and calves. This is undoubtedly the finest lot of Holstein cattle in the Dominion. We have no pen and ink records for our cows, but we invite farmers and others wanting to buy Holstein cattle to go to the farm, spend a day there and test and weigh for themselves the milk produced. The herdsmen will gladly afford them every facility for so doing.

The bulls in use up to this season were the great prize-winning animals Presto and Adanac. Presto was the only bull ever brought to Canada that was a first prize-winner at the great Alkmar Fair in the Netherlands and was a great prize-winner in Canada. Adanac, whether judged by Canadian judges or an American expert, always took first. He was never beaten, and was so perfect as a show bull that Mr. Stevens, the expert, said he would score a full hundred points. This is a dispersion sale and all animals not disposed of by first of March will be sold by auction, as the farm will be sold or rented by first of April next. Catalogues will be issued in a few days, for which, address John Leys, 18 Court street Toronto.

This herd at the large exhibitions of '87, '88 and '89 won more diplomas, more gold and silver medals and more money prizes than was ever won by any herd of any breed of cattle at same number of exhibitions in the Dominion. At the Industrial in 1889, when F. C. Stevens of Attica, an American expert, was judge, this herd literally swept the show ring, taking first for aged bull, sweepstakes for best bull of any age; first for yearling bull; first, second and third for cows and first herd prize for bull and four females.

This was enough glory, and the herd was not exhibited in 1890 and 1891. 313-a-OM
